David Smith, Transportation

#### **Explanation**

- The Charlotte Department of Transportation (CDOT) operates and maintains a transportation system that includes traffic signals and supporting infrastructure to manage traffic operations throughout the city.
- CDOT maintains traffic signals at over 900 intersections across the city.
- This contract will be utilized to purchase pedestrian signal housing components for maintenance of existing units and new installations of pedestrian signals throughout the city to promote pedestrian safety.
- On December 28, 2023, the city issued an Invitation to Bid; one bid was received.
- General Traffic Equipment Corporation was selected as the lowest responsive, responsible bidder.
- The contract prices shall remain fixed for the initial three-years term. At renewal, price adjustments may be considered based on legitimate and justified increases in the cost of doing business.
- Annual expenditures are estimated to be \$150,000.

#### **Charlotte Business INclusion**

Contract goals were not established on this Contract because there are no MWSBEs available to perform the work for the Contract.
