STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for Regional Activity Center place type.

Rationale for Recommendation

- The petition would align the zoning district with the adopted place type.
- The petition would allow for adaptive reuse of the existing buildings while not precluding the advancement of the Silver Line transit corridor in the future.
- The petition could support access to employment opportunity, which is a goal of the Regional Activity Center place type.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - 1: 10 Minute Neighborhoods
 - 8: Diverse & Resilient Economic Opportunity
 - 9: Retain Our Identity & Charm

PLANNING STAFF REVIEW

• **Proposed Request Details**

The development standards accompanying this petition contain the following provisions:

- Allows for adaptive reuse of the existing buildings and minor expansions of the buildings with indoor recreation, restaurant, and accessory uses as permitted in the RAC zoning district.
- Acknowledges the site's location in the path of the Silver Line transit corridor.
- Allows for exterior façade changes and expansions of up to 10% of the building's square footage.

• **Existing Zoning**

- The site is zoned ML-2 and is surrounded by ML-1 zoning to the south and UMUD-O zoning to the north and east. Interstate 77 is to the west and north.

The site, marked by a red star, is surrounded by the interchange of I-77 & I-277 to the north and west, the former Charlotte Pipe & Foundry campus to the east, and the urban neighborhoods of Wilmore and South End to south.

Street view of the site as seen from W Summit Avenue. The site is developed with warehouse-style buildings.

Street view of the I-77 & I-277 interchange north of the site as seen from S Clarkson Street.

Street view of the former Charlotte Pipe & Foundry campus to the east of the site across W Summit Avenue.

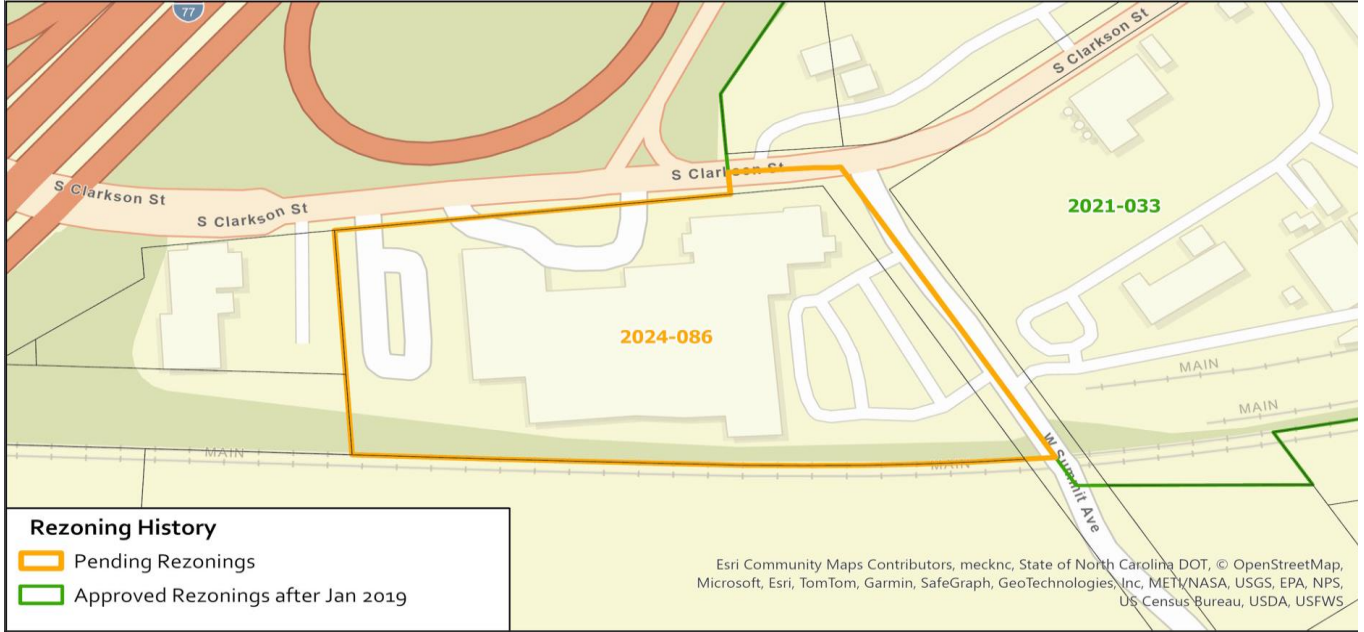

Street view of vacant property to the south of the site as seen from W Summit Avenue.

Street view of industrial use to the west of the site along S Clarkson Street.

Rezoning History in Area

Petition Number	Summary of Petition	Status
2021-033	Petition to rezone 55 acres to UMUD-O to allow a large-scale mixed-use development.	Approved

Public Plans and Policies

- The 2040 Policy Map (2022) recommends Regional Activity Center place type for this site and surrounding properties.

TRANSPORTATION SUMMARY

- Site is located on Clarkson Street, a State-maintained collector, and Summit Avenue, a City-maintained collector. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the RAC zoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district. All outstanding CDOT issues have been addressed.

- **Active Projects:**
- I-77 South Corridor Improvements (I-5718A)
 - Widen existing freeway from I-277/US-74 interchange to South Carolina State Line
 - Anticipate this will have impacts to this site.
- Silver Line
 - Silver line route goes directly through this site, full or partial take is expected.
- **Transportation Considerations**
 - No Outstanding Issues.
- **Vehicle Trip Generation:**
 - Current Zoning:
 - Existing Use: 336 trips per day (based on 57,752 SF warehouse, 13,725 SF office).
 - Entitlement: 375 trips per day (based on 213,444 SF warehouse).
 - Proposed Zoning: Trip generation will be calculated during permitting based on the specific square footage of proposed uses.
