

## Petition 2023-005 by Sustainable Resources Properties, LLC

### To Approve:

This petition is found to be **consistent** with the *2040 Policy Map (2022)* based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map (2022)* calls for the Manufacturing and Logistics place type.

Therefore, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The petition would align the site with the surrounding area and the Manufacturing and Logistics place type recommendation for the area.
- The proposed petition is more compatible than the existing office zoning and helps to achieve what is envisioned for the Manufacturing and Logistics Place type.
- The ML-1 (Manufacturing and Logistics) district will allow some manufacturing and logistics uses that are not allowed in the OFC (office) zoning.
- The ML-1 zoning district is intended to accommodate a range of warehouse/distribution and light industrial uses which aligns with the surrounding area uses.
- The site backs up to I-485, with no residential uses in proximity.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
  - 8: Diverse and Resilient Economic Opportunity

### To Deny:

This petition is found to be **consistent** with the *2040 Policy Map (2022)* based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map (2022)* calls for the Manufacturing and Logistics place type.

However, we find this petition to not be reasonable and in the public interest based on the information from the staff analysis and the public hearing, and because:

- (To be explained by the Zoning Committee)
