**Conflict of Interest Defined:**

A conflict of interest is defined as an actual or perceived interest by a (staff member/Board member) in an action that results in, or has the appearance of resulting in, personal, organizational, or professional gain. A conflict of interest occurs when an employee/Board member has a direct or fiduciary interest in another relationship. A conflict of interest could include:

- Ownership with a member of the Board of Directors/Trustees or an employee where one or the other has supervisory authority over the other or with a client who receives services.
- Employment of or by a member of the Board of Directors/Trustees or an employee where one or the other has supervisory authority over the other or with a client who receives services.
- Contractual relationship with a member of the Board of Directors/Trustees or an employee where one or the other has supervisory authority over the other or with a client who receives services.
- Creditor or debtor to a member of the Board of Directors/Trustees or an employee where one or the other has supervisory authority over the other or with a client who receives services.
- Consultative or consumer relationship with a member of the Board of Directors/Trustees or an employee where one or the other has supervisory authority over the other or with a client who receives services.

The definition of conflict of interest includes any bias or the appearance of bias in a decision-making process that would reflect a dual role played by a member of the organization or group. An example, for instance, might involve a person who is an employee and a Board member, or a person who is an employee and who hires family members as consultants.

**Employee Responsibilities:**

It is in the interest of the organization, individual staff, and Board members to strengthen trust and confidence in each other, to expedite resolution of problems, to mitigate the effect and to minimize organizational and individual stress that can be caused by a conflict of interest.

Employees are to avoid any conflict of interest, even the appearance of a conflict of interest. This organization serves the community as a whole rather than only serving a special interest group. The appearance of a conflict of interest can cause embarrassment to the organization and jeopardize the credibility of the organization. Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to your supervisor immediately. Employees are to maintain independence and objectivity with clients, the community, and organization. Employees are called to maintain a sense of fairness, civility, ethics and personal integrity even though law, regulation, or custom does not require them.

**Acceptance of Gifts:**

Employees, members of employee's immediate family, and members of the Board are prohibited from accepting gifts, money or gratuities from the following:

- a. Persons receiving benefits or services from the organization;
- b. Any person or organization performing or seeking to perform services under contract with the organization; and
- c. Persons who are otherwise in a position to benefit from the actions of any employee of the organization.

Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If the employee is acting in any official capacity, honoraria received by an employee in connection with activities relating to employment with the organization are to be paid to the organization.

**35. CERTIFICATION REGARDING NONDISCRIMINATION, CLEAN AIR ACT, CLEAN WATER ACT**  
**Certification Regarding Nondiscrimination**

The Contractor certifies that it will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (h) the Food Stamp Act and USDA policy, which prohibit discrimination on the basis of religion and political beliefs; and (i) the requirements of any other nondiscrimination statutes which may apply to this Agreement.

The Contractor must comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented by the Department of Labor Regulations (41 CFR Part 60): The Executive Order prohibits federal contractors and federally-assisted construction contractors and subcontractors who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, or national origin. The Executive Order also requires Government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment.

**Meaningful Access for LEP Individuals**

The Contractor that participates in the SNAP must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and benefits. This includes the requirement to provide bilingual program information and certification materials and interpretation services to single language minorities in certain project areas. SNAP Contractors that do not provide meaningful access for LEP individuals risk violating prohibitions against discrimination based on National Origin in the Food and Nutrition Act of 2008, as amended, Title VI of the Civil Rights Act of 1964 (Title VI) and SNAP program regulations at 7 CFR 272A(b). They also risk noncompliance with the USDA policy guidance titled, "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons", published in 79 FR 70771 - 70784 (November 28, 2014).

The Contractor should develop an implementing plan to address the language assistance needs of the LEP population served. This may include contracting for oral interpretation services, hiring bilingual staff, arranging telephone interpreters and/or language lines, coordinating community volunteers, translating vital documents, and providing written notice that language services are available in appropriate languages. Quality and accuracy of the language service is critical in order to avoid serious consequences to the LEP person and to the recipient. LEP needs should be considered in developing budgets and front line staff should understand how to obtain language assistance services. For additional assistance and information regarding LEP matters, please also visit <http://www.lep.gov>.

**Ensuring Equal Opportunity Access for Persons with Disabilities**

The Contractor must also ensure equal opportunity access for persons with disabilities. This includes ensuring that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications with people without disabilities. Contractors that do not provide persons with disabilities equal opportunity access to programs may risk violating prohibitions against disability discrimination in the Rehabilitation Act of 1978, the American with Disabilities Act (ADA) of 1990, as amended, and SNAP program regulations.

DOJ published revised final regulations implementing Title II and Title III of the ADA on September 15, 2010. These regulations are codified at 28 CFR Part 35 "Nondiscrimination on the Basis of Disability in State and Local Government Services" and at 28 CFR Part 36 "Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities". In accordance with the implementing

regulations, Contractors must provide auxiliary aids and services where necessary to ensure effective communication and equal opportunity access to program benefits for individuals with disabilities. The type of auxiliary aids and services required will vary, but a Contractor may not require an individual with a disability to bring another individual to interpret, and may rely on a person accompanying a disabled individual only in limited circumstances. When a Contractor communicates with applicants and beneficiaries by telephone, it must provide text telephone services (TTY) or have access to an equally effective electronic telecommunications system to communicate with individuals who are deaf, hard of hearing, or hearing impaired. Contractors must also ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. For more information, please visit the ADA website: <http://www.ada.gov>.

    - (ii) setting forth procedures, sanctions, penalties, and such other provisions, as the President determines necessary to carry out such requirement.
  - d. The President may exempt any contract, loan, or grant from all or part of the provisions of this section where he determines such exemption is necessary in the paramount interest of the United States and he shall notify the Congress of such exemption.
  - e. The President shall annually report to the Congress on measures taken in compliance with the purpose and intent of this section, including, but not limited to, the progress and problems associated with such compliance.
