This petition is found to be **inconsistent** with the *2040 Policy Map (2022)* based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map (2022)* recommends the Manufacturing and Logistics Place Type for this site.

- The petition also proposes a 12-foot multi-use path and a minimum 8-foot landscape strip along Rocky River Road and John Russell Road.

ZONING COMMITTEE DISCUSSION

Staff provided a summary of the petition and noted that it is inconsistent with the *2040 Policy Map*.

Commissioner Lansdell noted the dedication of land to NCDOT for future road widening.

Commissioner Welton asked if staff considered prohibiting uses for the non-residential building. Staff responded that there were limitations on the types of uses that are allowed in the N2-A district and would only be neighborhood serving uses.

There was no further discussion of this petition.
