**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Southwest District Plan* (1991) recommendation for office uses at this site.

Rationale for Recommendation

- The site is directly adjacent to existing office land uses and parcels zoned O-1.
- This rezoning would allow for the vacant site to be developed with uses that are consistent with the proposed land use for this area.
- The current conditional plan for the site is from a 1998 rezoning which changed the zoning district to B-1SCD and calls for retail and office uses for these parcels, which are compatible uses under the O-1 zoning district. Although the uses under the proposed and existing zoning are comparable, if approved, this rezoning petition would allow for the underutilized site to develop under a zoning district that is in the current Zoning Ordinance rather than B-1SCD which is no longer a district included in the Ordinance.

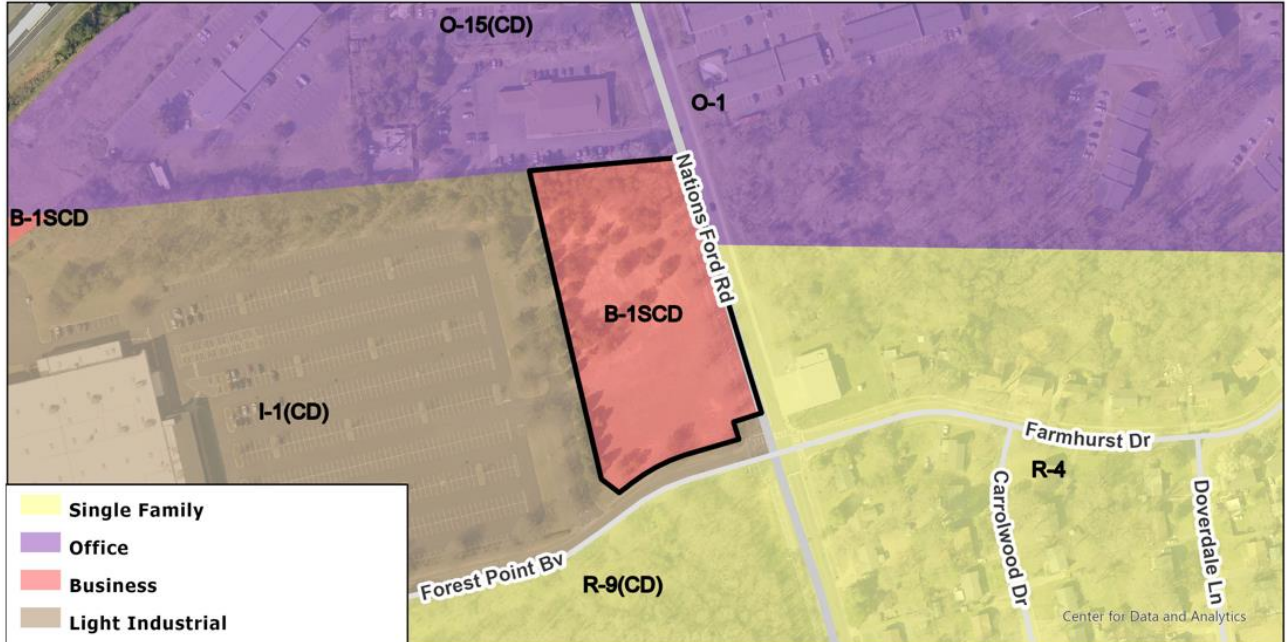

PLANNING STAFF REVIEW

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan.

- Allows all uses in the O-1, office, zoning district.

- **Existing Zoning and Land Use**

- The site is currently zoned B-1SCD, business shopping center district, and is surrounded by office, retail, single family residential, and institutional uses as well as vacant parcels.

- The subject site is denoted with a red star.

- North of the site are office and retail uses.

- East of the site are vacant parcels, a single family home, and a Medic station at the corner of Nations Ford Road and Forest Point Boulevard.

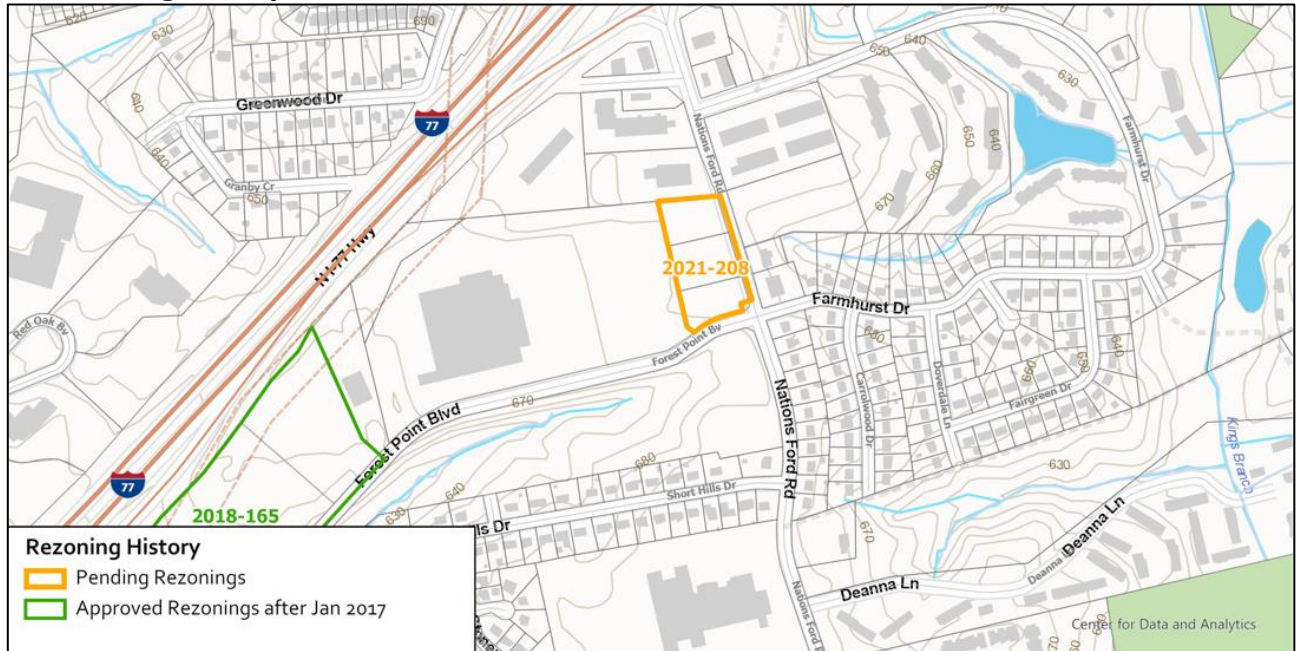

- South of the site is open space.

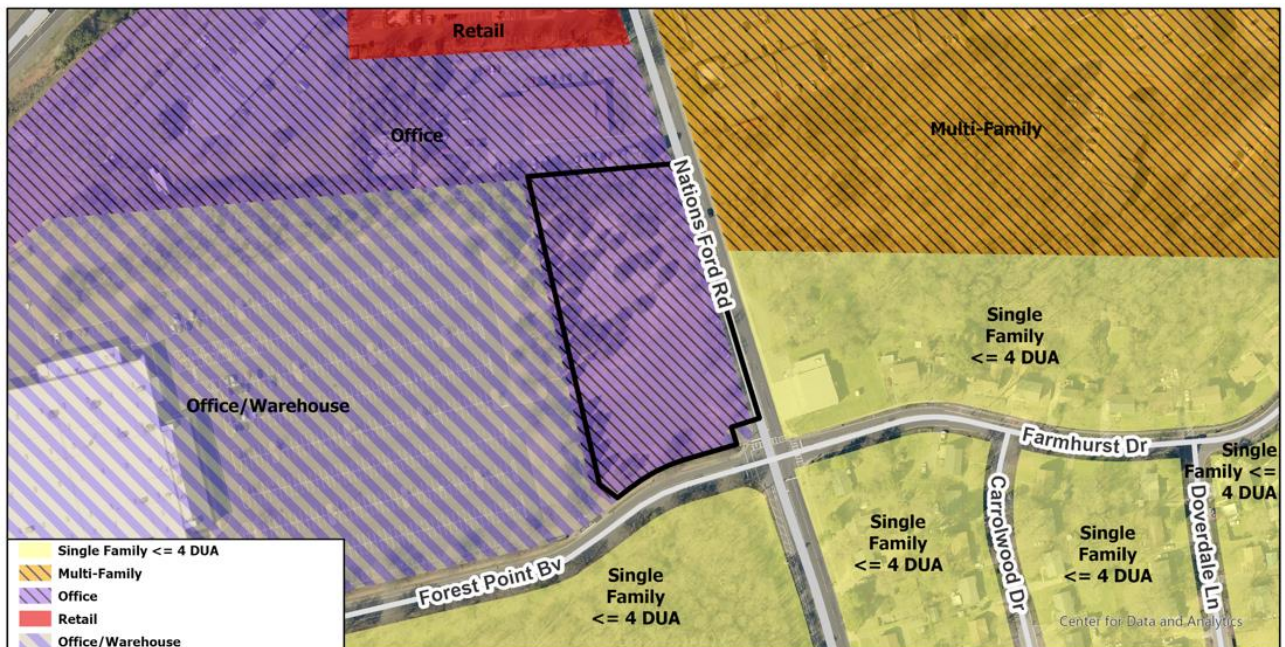

- West of the site is a parking area used by Samaritan Purse Warehouse.

- Rezoning History in Area**

Petition Number	Summary of Petition	Status
2018-165	Rezoned 16.6 acres from B-2(CD) to R-17MF(CD).	Approved

- Public Plans and Policies**

- The *Southwest District Plan* (1991) recommends office uses at this site.
- TRANSPORTATION SUMMARY**
 - The site is located on Nations Ford Road, a City-maintained minor thoroughfare, north of Forest Point Boulevard, a City-maintained Major Collector. A Traffic Impact Study (TIS) is not needed for the site due to the site's generation of less than 2,500 trips. CDOT will work with the petitioner during the permitting process to ensure all required streetscape and transportation-related ordinance requirements are complied with for adequate access and connectivity to the site and surrounding network.
- Active Projects:**
 - There are no active projects near the site.

- **Transportation Considerations**
 - No outstanding issues.
- **Vehicle Trip Generation:**
 - Current Zoning:
 - Existing Use: 0 trips per day (the site is currently vacant).
 - Entitlement: 2,615 trips per day (based on 29,400 square feet of retail uses).
 - Proposed Zoning: 325 trips per day (based on 29,400 square feet of office uses).
