**STAFF  
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the *Tyvola & Archdale Transit Station Area Plan (2008)* recommendation for office/retail/industrial-warehouse-distribution uses for this site.

Rationale for Recommendation

- The site is within a 1-mile walk of the Tyvola Station along Old Pineville Road.
- The TOD-NC district may be applied to parcels within a 1-mile walking distance of an existing rapid transit station, or within ½ mile walking distance of an existing streetcar stop.
- The petition would allow for the redevelopment of the site to transit oriented uses.
- The TOD-NC zoning district maintains the high level of design standards associated with the TOD-UC zoning district, but TOD-NC

is more appropriate for this site than other TOD districts because it is situated among moderately intense uses.

- The use of the conventional TOD-NC zoning applies standards and regulations to create desired form and intensity of transit supportive development, and a conditional rezoning is not necessary.
- TOD standards include requirements for appropriate streetscape treatment, building setbacks, street-facing building walls, entrances, and screening.

The approval of this petition will revise the adopted future land use as specified by the *Tyvola & Archdale Transit Station Area Plan (2008)*, from office/retail/industrial-warehouse-distribution uses to transit oriented development for the site.

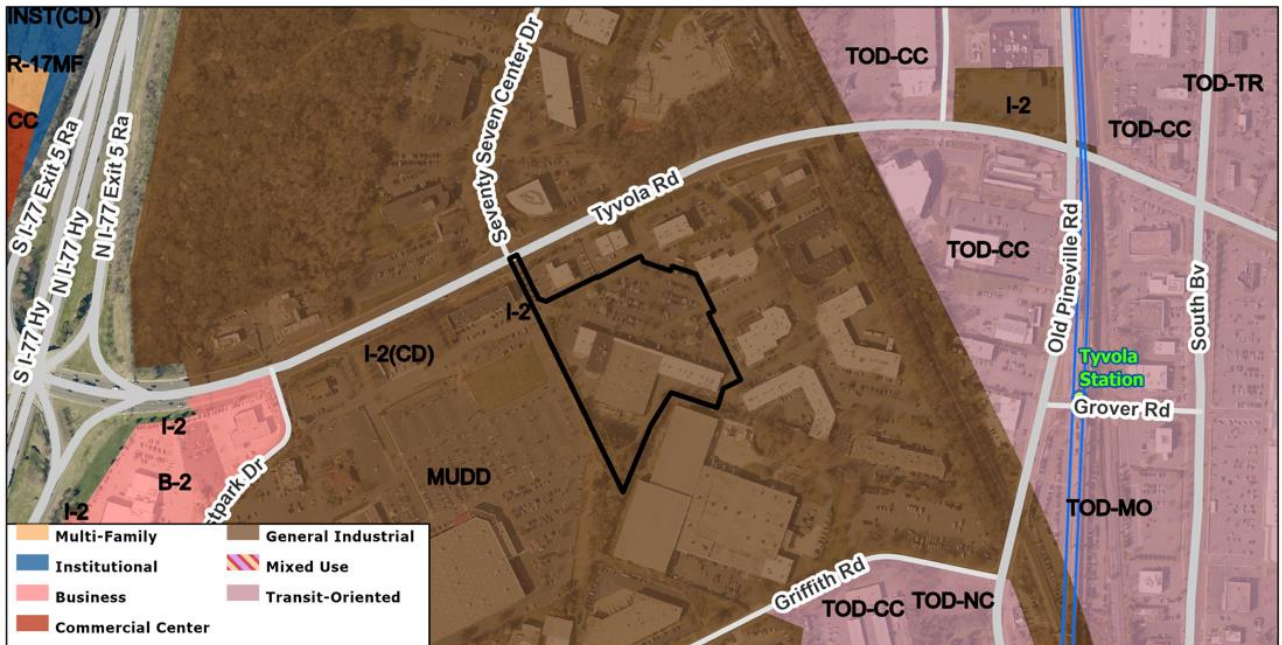

**PLANNING STAFF REVIEW**

• **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan.

- Allows all uses in the TOD-NC (transit oriented development – neighborhood center) zoning district.

• **Existing Zoning and Land Use**

- The site is currently zoned I-2 and is in an area with non-residential mixed uses, retail, office, and industrial uses.

- North of the site are retail uses.

- East of the site is Highland Business Park, a mixed-use development.

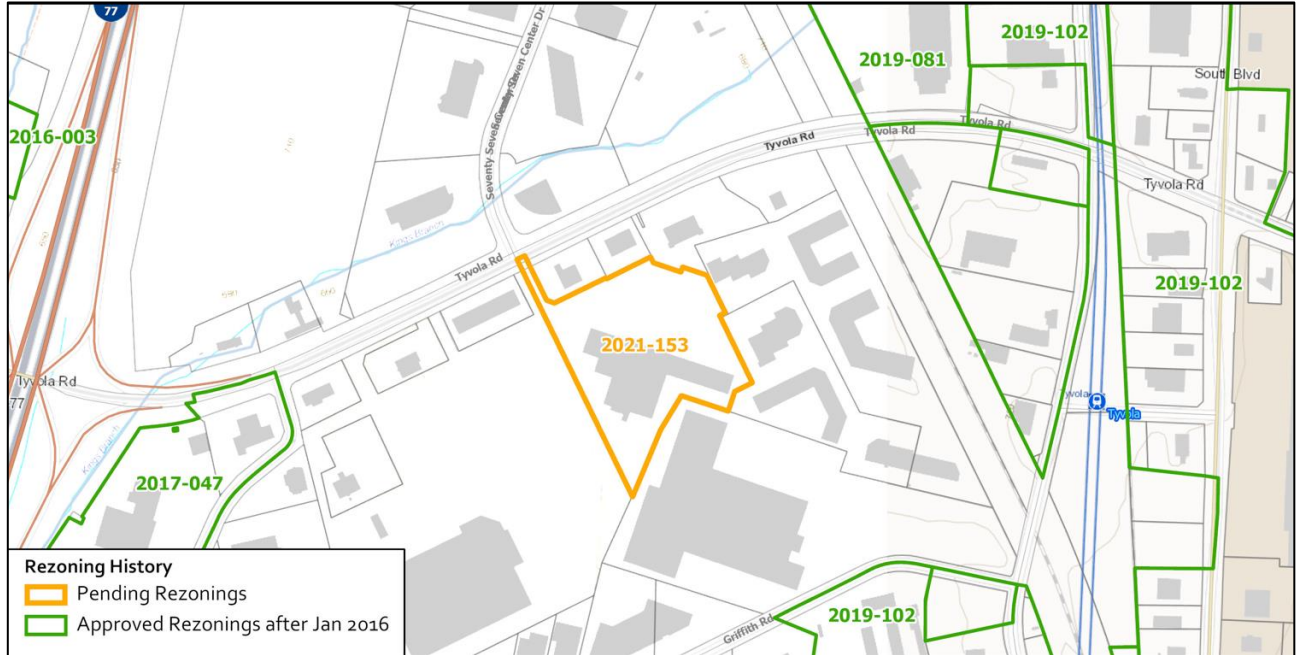

- South of the site are industrial uses.

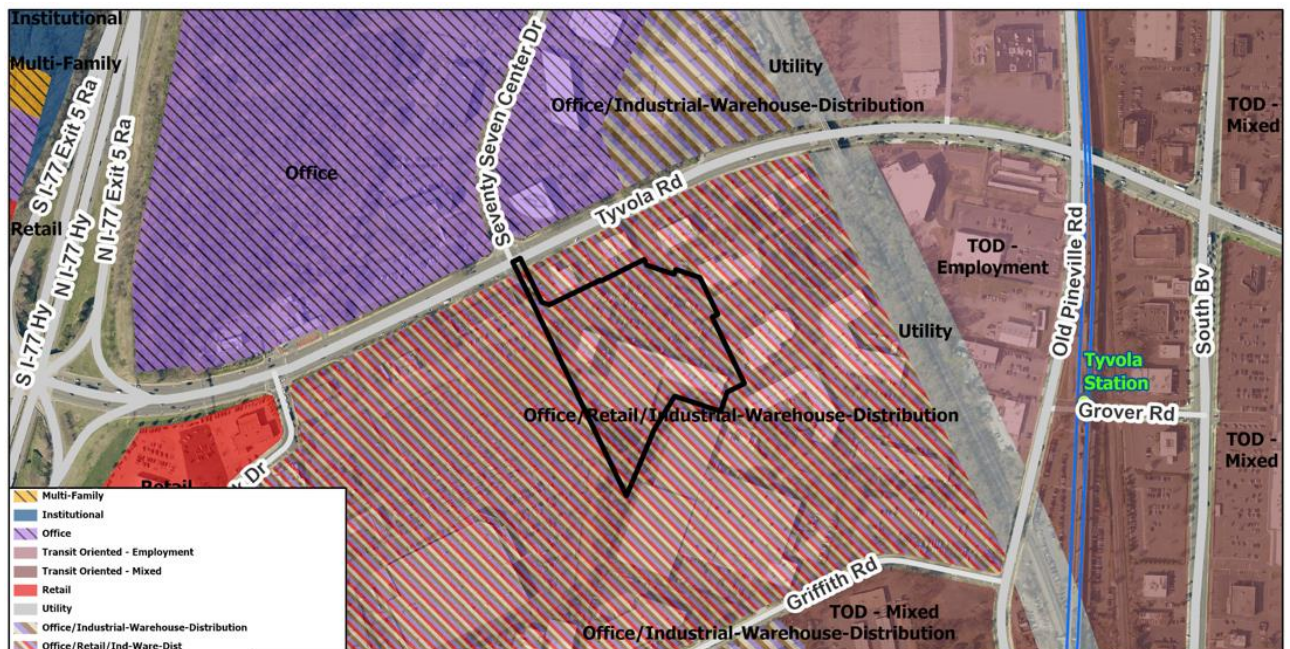

- West of the site are retail uses.

This site is requesting a TOD-NC zoning and will be subject to transportation improvements in accordance with the TOD Ordinance and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated in the TOD-zoned areas.

  - There are no active projects near this site.
- **Transportation Considerations**
  - No outstanding issues.
- **Vehicle Trip Generation:**
