3

Results of the Audit

We have audited the financial statements of the City of Charlotte, North Carolina ("City") as of and for the year ended June 30, 2023, in accordance with generally accepted auditing standards and *Government Auditing Standards* and have issued our report dated October 31, 2023.

We have also audited the City's compliance with the types of compliance requirements described in the OMB Compliance Supplement and the Audit Manual for Governmental Auditors in North Carolina that could have a direct and material effect on each of the City's major federal and state programs for the year ended June 30, 2023. We have issued our report dated October 31, 2023.

We have issued an unmodified opinion on the financial statements and on compliance for major federal and state programs related to our single audits performed in accordance with Uniform Grant Guidance and the State Single Audit Implementation Act.

4

4

Internal Control Communication

In planning and performing our audit, we considered internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements and compliance with Uniform Grant Guidance and the NC State Single Audit Implementation Act, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements or noncompliance on a timely basis.

5

5

Internal Control Communication

Material Weakness

► A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis.

Significant Deficiency

► A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We noted one (1) material weakness in our audit.

6

6

Internal Control Communication

Material Weakness

- ▶ Finding 2023-001:
 - ▶ Emergency Rental Assistance Program - Assistance Listing Number – 21.023
 - ▶ Material Weakness/Nonmaterial Noncompliance
 - ▶ The City has a subrecipient monitoring policy that was not being completely followed by the department administering the Emergency Rental Assistance Program.

7

7

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

Corrected Misstatements

- ▶ None noted

Uncorrected Misstatements

- ▶ An understatement of cash and accounts payable by approximately \$3.7 million and \$1 million for the general fund and public transit fund, respectively, related to reclassification of accrued payroll.
- ▶ An overstatement of beginning net position and current year expenses by approximately \$27.7 million for the Water and Sewer Fund related to projects that should have been expensed in a prior period.

8

8

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements.

As described in Note 1, the City changed accounting policies related to Subscription-Based Information Technology Arrangements by adopting GASB Statement No. 96, Subscription-Based Information Technology Arrangements, effective July 1, 2022.

We noted no inappropriate accounting policies or practices.

9

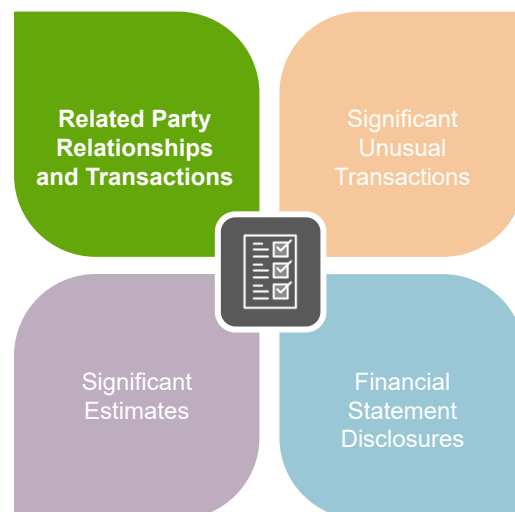

9

Qualitative Aspects of Accounting Practices

As part of our audit, we evaluated the City's identification of, accounting for, and disclosure of the City's relationships and transactions with related parties as required by professional standards.

We noted none of the following:

- Related parties or related-party relationships or transactions that were previously undisclosed to us;
- Significant related party transactions that have not been approved in accordance with the City's policies or procedures or for which exceptions to the City's policies or procedures were granted;
- Significant related party transactions that appeared to lack a business purpose;
- Noncompliance with applicable laws or regulations prohibiting or restricting specific types of related party transactions;
- Difficulties in identifying the party that ultimately controls the entity.

10

10

Qualitative Aspects of Accounting Practices

We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

For purposes of this letter, professional standards define significant, unusual transactions as transactions that are outside the normal course of business for the City or that otherwise appear to be unusual due to their timing, size, or nature. We noted no significant, unusual transactions during our audit.

11

11

Qualitative Aspects of Accounting Practices

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- ❖ Accrual for unbilled revenue (utilities)
- ❖ Allowance for uncollectible accounts
- ❖ Depreciable lives and estimated residual value of capital assets
- ❖ Lease receivables, lease's and SBITA's payable, right to use assets and related deferred inflows
- ❖ Fair value of investments
- ❖ Incurred but not reported claims payable
- ❖ Defined benefit plans (LGERS and LEOSSA) liabilities and related deferred inflows and outflows of resources
- ❖ Other postemployment benefit plan (OPEB) liability and related deferred inflows and outflows of resources
- ❖ Derivatives

12

12

Qualitative Aspects of Accounting Practices

Management's estimate of the identified significant estimates are based on the analysis of historical collection trends, billing dates, estimated useful life of the asset, actuarial valuations, third party pricing of investments and derivatives and the City's incremental borrowing rate and analysis of lease terms.

We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

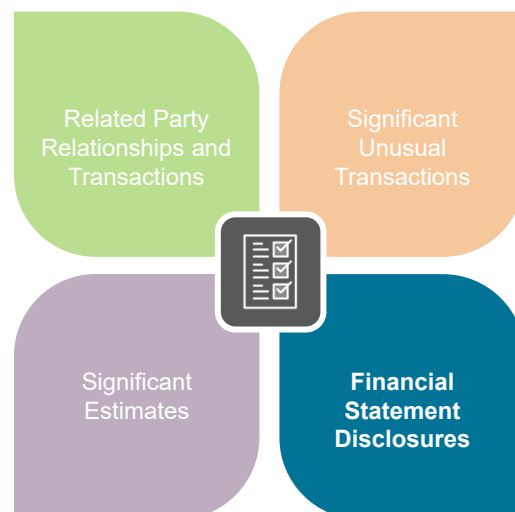

13

13

Qualitative Aspects of Accounting Practices

The financial statement disclosures are neutral, consistent, and clear.

14

14

Independence Considerations

Nonattest Services

- ▶ We have prepared the appropriate sections of and signed the Data Collection Form.
- ▶ For all nonattest services we perform, you are responsible for designating a competent employee to oversee the services, make any management decisions, perform any management functions related to the services, evaluate the adequacy of the services, and accept overall responsibility for the results of the services performed.

Independence Conclusion

- ▶ We are not aware of any other circumstances or relationships that create threats to auditor independence.
- ▶ We are independent of the City and have met our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

15

15

Other Required Communications

Difficulties Encountered

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Disagreements with Management

Includes disagreements on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

We are pleased to report no such disagreements arose during the course of our audit.

Auditor Consultations

One (1) required internal consultation was required related to an IT event.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 31, 2023.

16

16

Other Required Communications

Management Consultations

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations.

To our knowledge, there were no such consultations with other accountants.

Other Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year.

These discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Fraud and Illegal Acts

As of the date of this presentation, no fraud, illegal acts, or violations of laws and regulations noted.

Going Concern

No events or conditions noted that indicate substantial doubt about the City's ability to continue as a going concern.

17

17

Other Matters

Required Supplementary Information

We applied certain limited procedures to management's discussion and analysis and required supplemental information ("RSI"), as listed in the table of contents, which supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

Supplementary Information

We were engaged to report on the accompanying combining and individual fund financial statements and schedule of expenditures of federal and state awards, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

18

18

Other Matters

Other Information

We were not engaged to report on the introductory and statistical section, which accompany the financial statements but are not RSI. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements themselves and, accordingly, we do not express an opinion or provide any assurance on it.

19

19

Upcoming Financial Reporting Changes

These standards will be effective for the City in the upcoming years and may have a significant impact on the City's financial reporting.

We would be happy to discuss with management the potential impacts on the City's financial statements and how we may be able to assist in the implementation efforts.
