**STAFF
RECOMMENDATION**

Staff recommends approval of this petition upon resolution of outstanding issues related to outstanding issue related to transportation and site and building design.

Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for Regional Activity Center.

Rationale for Recommendation

- This conditional proposal will allow for a mix of employment, retail, and financial institutional uses that support SouthPark's role as a major regional activity center.
- The site is currently utilized with an office building, the proposal for a greater mix of uses better aligns with the intent of the Regional Activity Center zoning district and corresponding place type.

- The petition would enhance the pedestrian environment along Carnegie Boulevard through its commitment to activated ground floor uses and improved pedestrian infrastructure.
- Preferred open space standards to ensure areas are adequately amenitized for future users are incorporated into the plan and exceed ordinance requirements.
- The conditions of the plan for a mixed-use environment with robust urban design standards directly speak to the *2040 Comprehensive Plan* goal for creating 10 minute neighborhoods.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 Minute Neighborhoods
 - 8: Diverse & Resilient Economic Opportunity

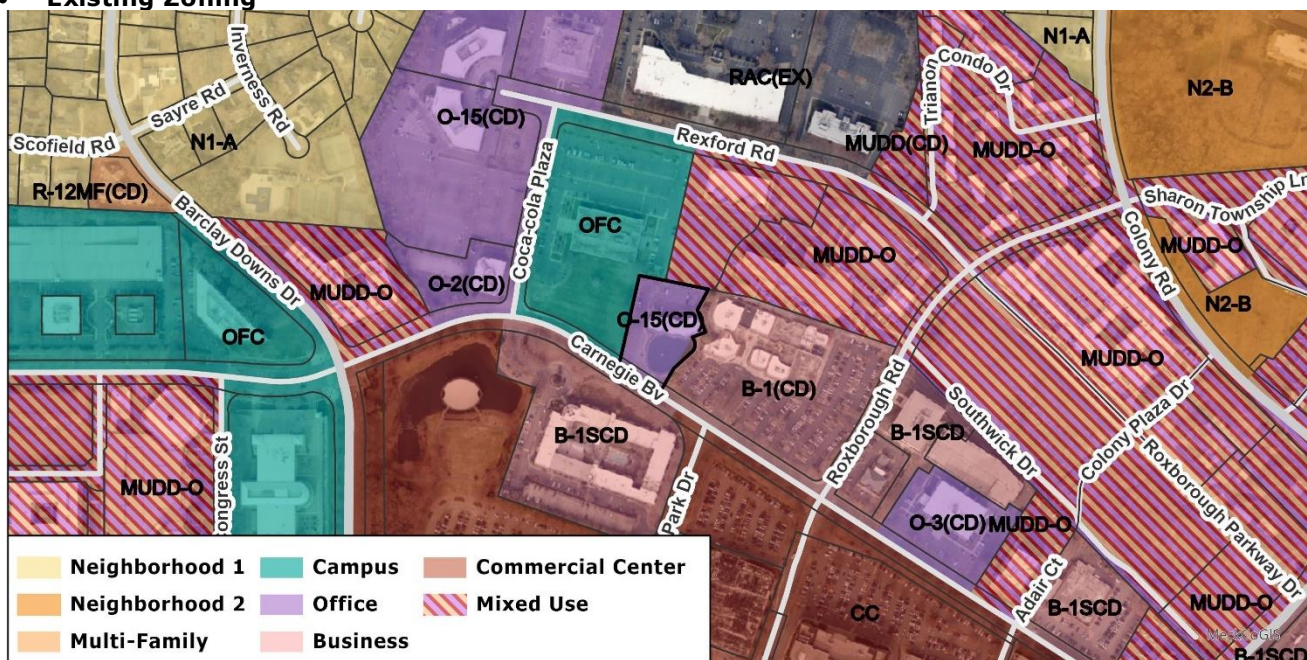

PLANNING STAFF REVIEW

Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Permits the redevelopment of ±1.53 acres currently zoned O-15(CD) (Office, Conditional) into RAC(CD) (Regional Activity Center, Conditional) to accommodate a mix of office, retail, restaurant, and financial institution uses.
- Allows for up to 68,000 square feet of office uses, 6,000 square feet of financial institution uses, and 6,000 square feet of restaurant/retail uses, together with accessory uses as permitted in the RAC zoning district.
- Requires that a minimum of 80% of the building's ground floor frontage along Carnegie Boulevard be activated with non-residential uses to ensure an active pedestrian environment.
- Provides an 8-foot planting strip and 8-foot sidewalk along Carnegie Boulevard.
- Commits to dedication of right-of-way from the Carnegie Boulevard centerline to the back of future sidewalk, with a 2-foot sidewalk utility easement.
- Identifies potential open space areas that exceed minimum UDO requirements; final design will include at least four enhanced elements such as specialty paving, shade structures, seating, public art, or decorative lighting in accordance with the UDO.
- Vehicular access from Carnegie Boulevard will be provided generally as shown on the site plan, subject to CDOT approval and final engineering.

Existing Zoning

The surrounding area is characterized by a mix of office, business, and mixed-use zoning districts concentrated along Carnegie Boulevard, Barclay Downs Drive, and Roxborough Road, with supporting commercial center and campus zoning nearby. Residential neighborhoods, including Neighborhood 1 and Neighborhood 2 zoning districts are located to the north and east, providing a transition from the commercial core to surrounding communities.

The surrounding area is characterized by a mix of office, retail, and commercial uses concentrated around SouthPark Mall and Carnegie Boulevard, with multi-family residential communities to the east and single-family neighborhoods to the north. The site is also adjacent to major community destinations including Symphony Park and large-scale office and shopping centers.

The site is currently occupied by an office building.

North of the site is a business park.

East of the site are a mix of commercial and office uses.

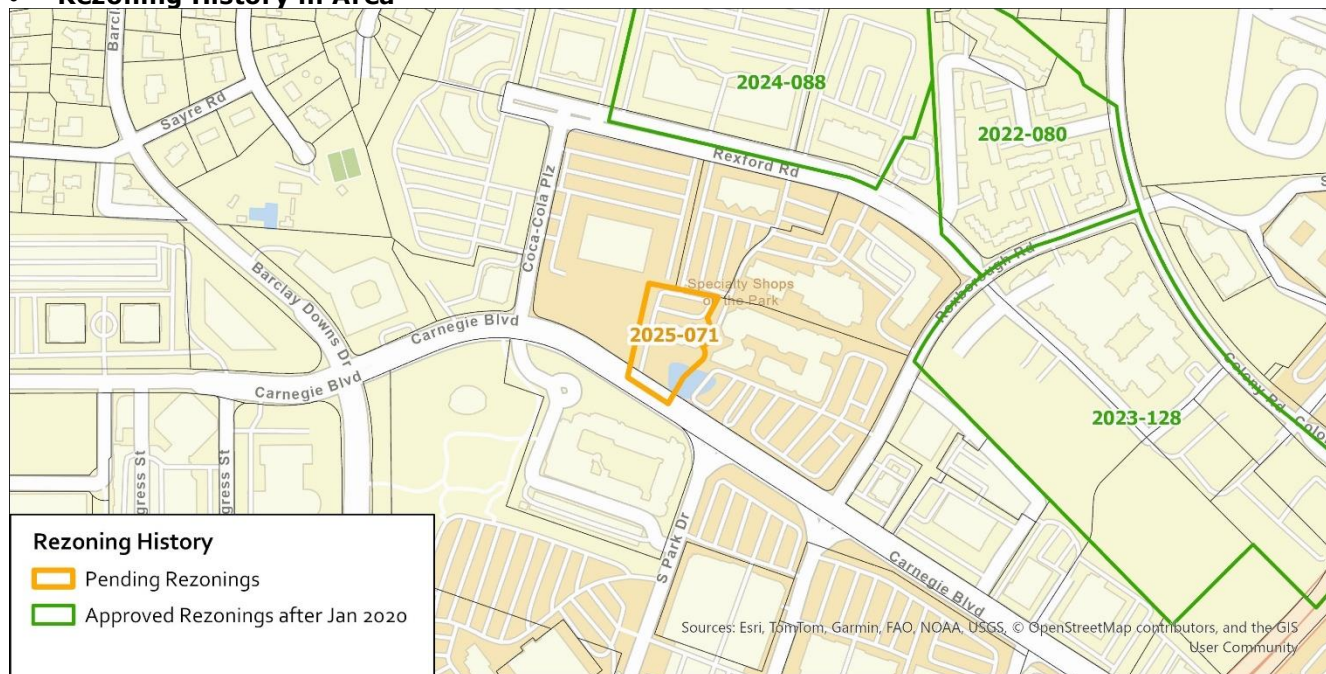

South of the site is a hotel.

West of the site are office uses.

OUTSTANDING ISSUES PRIOR TO PUBLIC HEARINGTransportation

1. Site will trigger Tier 3 multimodal and TDM. Add conditional note that says, "Site will comply with CTR requirements to be finalized in permitting."
2. Revise site plan and conditional note(s) to commit site access off of Carnegie Boulevard to have a minimum separation of 10' from property line, through the right-of-way, per the Charlotte Streets Manual. Revise site plan to show the required spacing for drawn site access. Please be mindful when project goes to permitting that the angle of the driveway entering the public right-of-way must conform with UDO Article 31.
3. Revise site plan and conditional note(s) to commit to construct traffic signal at the intersection of Rexford Drive and Roxborough Road.

Site and Building Design

4. Open space language: Add language to notes that when each open space element is utilized, the petitioner shall provide the details/technical notes on the element along with the location of the open space element. Add language to paving materials under open space to provide additional information during the land development process. Add language for shading elements to be more prescriptive in the notes. Open space language: Add prescriptive standards for seating. Open space language: Define and add additional detail for public art.
 5. Open space language: remove all references to residential development and/or residential sections of the ordinance.
 6. Dead-end fire apparatus access roads in excess of 150 feet in length shall be provided with an approved area for turning around fire apparatus.
