

Petition 2019-026 by Beacon Partners

To Approve:

This petition is found to be consistent with the *Scalleybark Transit Station Area Plan* based on the information from the staff analysis and the public hearing, and because:

- The plan recommends transit supportive development for the site.

(*Therefore, we find*) this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The subject site is within ½-mile walk of the Scalleybark Station on the LYNX Blue Line.
- The proposal permits a site previously used for office, industrial, and warehouse to convert to transit supportive land uses.
- Use of conventional TOD-CC (transit oriented development – community center) and TOD-TR (transit oriented development – transition) zoning applies standards and regulations to create the desired form and intensity of transit supportive development, and a conditional rezoning is not necessary.
- TOD (transit oriented development) standards include requirements for appropriate streetscape treatment, building setbacks, street-facing building walls, entrances, and screening.

To Deny:

This petition is found to be consistent with the *Scalleybark Transit Station Area Plan* based on the information from the staff analysis and the public hearing, and because:

- The plan recommends transit supportive development for the site.

(*However, we find*) this petition to not be reasonable and in the public interest based on the information from the staff analysis and the public hearing, and because:

- (To be explained by the Zoning Committee)
