Re: Comments from State Historic Preservation Office on Designation Report for the Marion R. and Lavonne Marsh House, Charlotte

By email dated August 23, 2024, SHPO staff provided feedback based on their review of the Designation Report for the Marion R. and Lavonne Marsh House. In summary, the issues raised included the following:

- Clarification as to the designation boundaries indicated on the report's maps; and
- Clarification as to comparable examples of architecturally similar residences.

Following review of the Designation Report and the SHPO feedback, HLD staff (including the consultant working with the applicant) revised and updated the Designation Report as needed to address the issues raised.
