1. Policy Referral: City Ordinance - Parking on Sidewalks

Staff Resource(s):

Lisa Flowers, City Attorney's Office
Terry Bradley, Community Relations

Explanation

- On June 18, 2026, the Mayor made a referral to the committee to discuss what changes are needed to the city ordinance to clarify restrictions related to parking on sidewalks.
- The city's ordinances regarding motor vehicles and traffic are codified in Chapter 14. Two provisions of Chapter 14 address the prohibition of parking on sidewalks.
- Although both sections prohibit parking on sidewalks, Section 14-130 introduces an exception that does not appear in Section 14-216(a)(9). The overlapping but different language in these two sections creates ambiguity for enforcement officers and residents.
- Staff will review proposed language to align the ordinance language.

Action: Committee discussion and vote
