**STAFF  
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for Neighborhood 2.

Rationale for Recommendation

- The site is well-connected to public transit, with two CATS bus routes nearby, providing convenient access to other parts of the city without needing a car.
- The site is within walking distance (about ¼ mile) of a Mecklenburg County park (Southwest District Park), (½ mile) of a CMS K-8 school, and walking distance (1.5 miles) to the Irwin Creek Greenway, which offers easy access to recreational spaces and educational facilities, which supports walkability and a more active lifestyle.

- Rezoning to a denser district with more residential options makes sense in areas with good access to transit and nearby services, as it provides housing options for people who rely on those connections.
- The rezoning complements the character of the neighborhood, which already includes a mix of residential and small-scale commercial uses, creating a seamless transition between the surrounding properties.
- The proposed zoning district aligns with the surrounding residential and small-scale commercial uses, maintaining neighborhood character.
- The proposed zoning enables productive use of a currently vacant site, fostering neighborhood activity.
- The proposed zoning supports existing urban-to-suburban transitions in the area and complements ongoing pedestrian and bike improvements along West Boulevard.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
  - 1: 10 Minute Neighborhoods
  - 2: Neighborhood Diversity & Inclusion

## PLANNING STAFF REVIEW

### Proposed Request Details

This is a conventional rezoning petition with no associated site plan.

- This is a conventional rezoning petition with no associated site plan, which applies all standards, regulations, and uses allowed in the N2-B zoning district.

### Existing Zoning

- The site is located near a mix of residential (N2-B, N2-C, UR-2(CD)), commercial (B-1(CD), B-1SCD), and office (OFC) zoning districts.

- To the north of the site, is the Southwest Recreation Center, with a mix of residential and community facilities nearby. To the west is larger residential complexes or apartment buildings are present, along with some commercial or mixed-use spaces. To the south of the site is a mix of wooded areas and lower-density development.

- The property to the north of the site is developed with a religious institution.

- The property to the East is undeveloped vacant land.

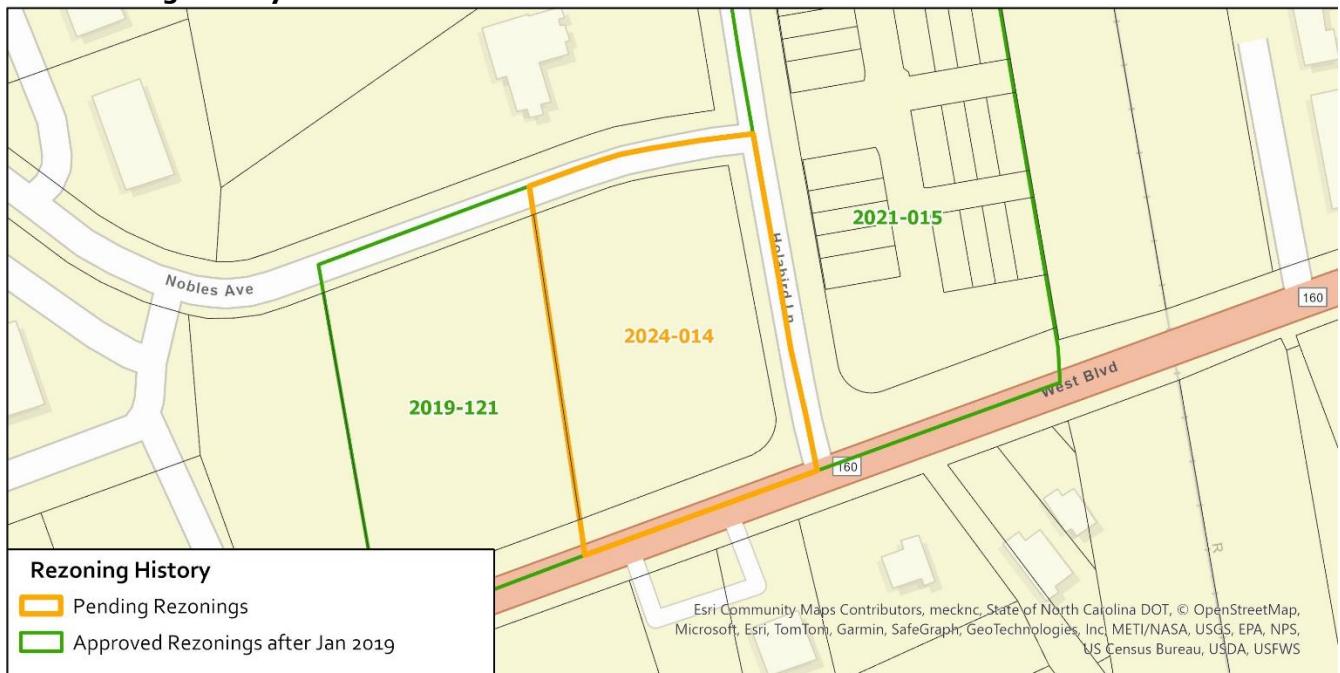

- South of the site are commercial businesses.

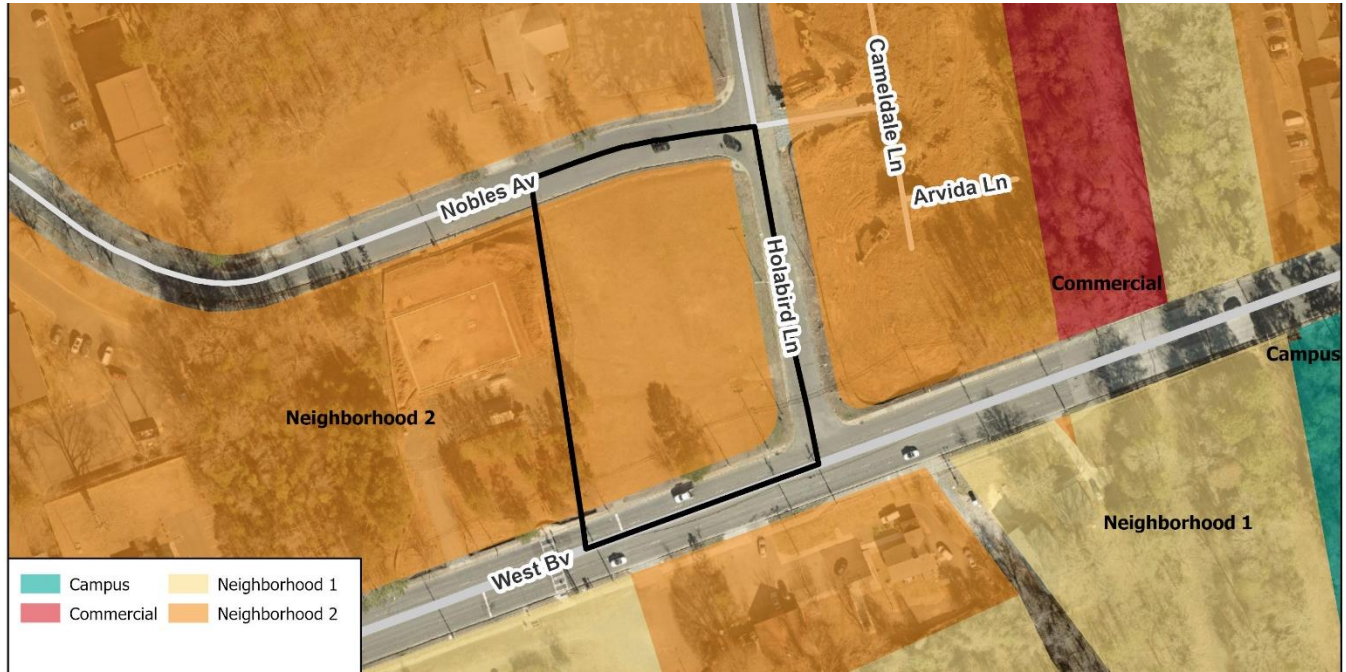

- West of the site is occupied by a commercial business. This site was recently rezoned to UR-C (2019-121).

#### • Rezoning History in Area

Petition Number	Summary of Petition	Status
2019-121	Rezoned 1.15 acres from B-1(CD) (neighborhood business, conditional) to UR-C (urban residential – commercial) to allow all uses permitted by-right and under prescribed conditions in UR-C.	Approved
2021-015	Rezoned 2.56 acres from B-1SCD (business shopping center, conditional) to UR-2(CD) (urban residential, conditional) for 29 single family attached residential units	Approved

- **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Neighborhood 2 Place Type.

- **TRANSPORTATION SUMMARY**

- The site is located at the intersection of West Boulevard, a State-maintained arterial, and Holabird Lane, a City-maintained local street. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the conventional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.
