**STAFF
RECOMMENDATION**

Staff recommends approval of this petition upon resolution of outstanding issues related to Environment.

Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for the Manufacturing & Logistics Place Type.

Rationale for Recommendation

- The site is currently zoned for and developed as a facility for light industrial uses.
- The site is within an area designated by the 2040 Policy Map for the Manufacturing and Logistics Place Type.
- The site has access to four exits of I-85 within two and a half miles along existing major thoroughfares.

- The site is located along the future alignment of the Doby Creek Tributary greenway and is proposing to dedicate an easement for that greenway.
- The site is located along the route of the number 22 Graham Street local bus providing service to the Charlotte Transportation Center and the JW Clay Park and Ride.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 8: Diverse & Resilient Economic Opportunity

PLANNING STAFF REVIEW

• **Proposed Request Details**

The site plan accompanying this petition contains the following provisions:

- Allows up to 325,000 square feet of light manufacturing, assembly, warehousing, climate controlled self-storage, offices, outdoor storage, and wireless communication as well as other principal and accessory uses permitted by-right and by-right with prescribed conditions in the I-2 district.
- Prohibits noxious or inappropriate uses such as heavy manufacturing and assembly, truck stops and terminals, automotive services stations, airports and heliports, petroleum storage, landfills, power generation, abattoirs, crematoriums, lumberyards, junk yards, outdoor commercial activities, EDEEs, etc.
- Limits outdoor storage areas to those generally illustrated on the rezoning site plan.
- The following transportation improvements are proposed:
 - Access to the site will be provided via Morris Estate Drive and access to IBM Drive is also permitted via Solelectron Dr./Morris Estate Dr.
 - 80-feet of right-of-way will be reserved for a future extension of Nevin Rd./Morris Estate Dr.
 - Any additional rights-of-way that may be necessary will be dedicated prior to the issuance of the first certificate of occupancy (CO).
- The following site improvements are proposed:
 - The petitioner will dedicate a 100-foot greenway easement to Mecklenburg County Park and Recreation as generally described by the rezoning plan.
 - 20-foot building and parking setbacks will be provided from all future rights-of-way.
 - A 100-foot Class A Buffer will be provided as generally depicted on the rezoning site plan and may be reduced as permitted by the Zoning Ordinance.
 - Outdoor storage areas, HVAC equipment, and solid waste disposal areas will be screened per the requirements of Section 12.303 of the Zoning Ordinance.
 - All new lighting will be full cut-off type except for pedestrian scale fixtures which shall be decorative, capped, and downwardly directed.

- Existing Zoning**

- The property is currently zoned RE-3 research and is abutting properties zoned Neighborhood 1, Neighborhood 2, single-family, multi-family, and Research Campus.

• **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Manufacturing and Logistics Place Type for this site.

• **TRANSPORTATION SUMMARY**

- The site is located south of Mallard Creek Road, a State-maintained major arterial, on Morris Estates Drive, a Privately-maintained minor arterial. A Traffic Impact Study (TIS) is not required for this site due to the site generating less than 2,500 daily trips. CDOT has coordinated with the petitioner to reserve 80' of right-of-way for future conversion of Morris Estate Drive to a public street.
- **Active Projects:** N/A

• **Transportation Considerations**

- No Outstanding Issues.

OUTSTANDING ISSUES

Environment

1. The previous submitted site plan identified the 100' greenway easement area adjacent to Morris Estate Drive. MCPR requests that the proposed easement be consistent with this initial proposed area, with the addition of the connection to Nevin Road.
