STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the *2040 Policy Map* recommendation for Neighborhood 1 Place Type.

Rationale for Recommendation

- The site is 6.8 acres and meets the preferred acreage for a place type amendment.
- The proposed development would fill a need for housing in an area that has been identified as lacking Access to Housing Opportunity by the *2040 Comprehensive Plan* with an allowance for up to 70 new multi-family attached residential units.

- The site is adjacent to Reedy Creek Nature Center and Preserve and the Reedy Creek Greenway system.
- The site is within a ½ -mile of a designated Neighborhood Center.
- The site is served by the number 29 CATS local bus route.
- The petition could facilitate the following *2040 Comprehensive Plan Goals*:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 to Neighborhood 2 Place Type for the site.

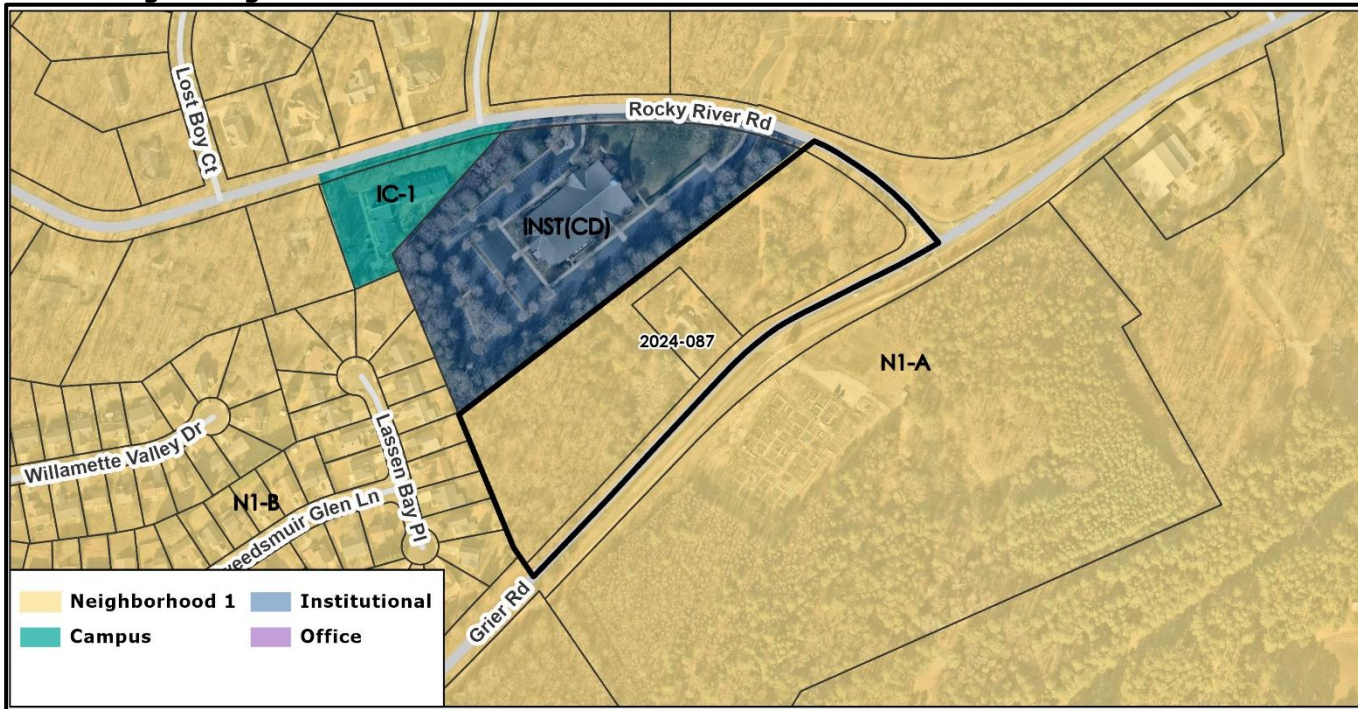

PLANNING STAFF REVIEW

• **Proposed Request Details**

The site plan accompanying this petition contains the following provisions:

- Allows up to 70 multi-family attached dwelling units.
- Provides a 12-foot multi-use path and an 8-foot landscape strip along Rocky River Road and Grier Road.
- Provides an 8-foot sidewalk and an 8-foot landscape strip along proposed public Road 1.
- Commits to restripe Grier Road to provide a 3-lane section along the site’s frontage.
- Commits to upgrade ramps at the corner of Grier Road and Rocky River Road to accommodate the shared use path upgrades.
- Upgrades the existing bus stop to an ADA-compliant bus pad with bench.
- Limits height to 48 feet.
- Provides architectural details.

• **Existing Zoning**

- The property is zoned N1-A. The surrounding zoning is INST(CD), N1-A, N1-B, and IC-1. The surrounding land uses include single family, religious institutions, and park uses.

The property is denoted by a red star.

The property to the northwest along Rocky River Road is developed with a religious institution.

Reedy Creek Nature Preserve is located to the south across Grier Road.

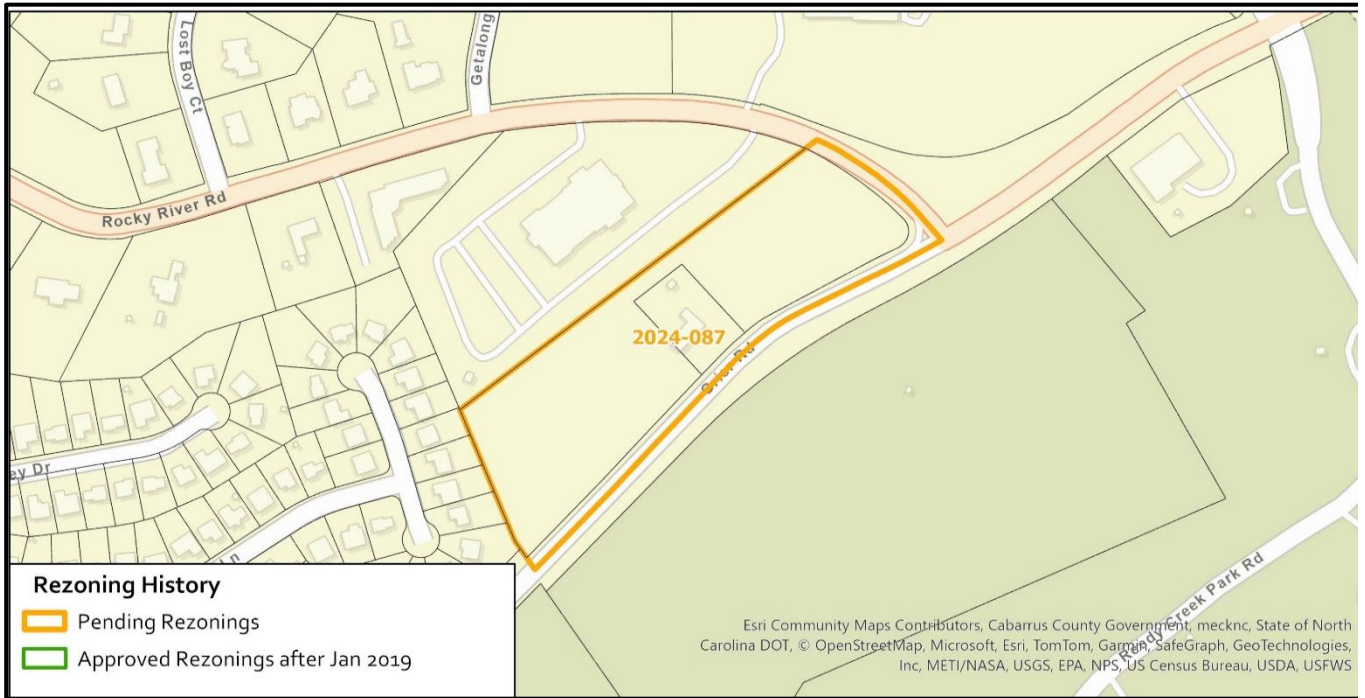

The property to the southwest along Lassen Bay Place is developed with single family homes.

The property to the north along Rocky River Road is developed with a religious institution.

- **Rezoning History in Area**

There have not been any rezonings in this area recently.

- **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Neighborhood 1 Place Type.

- **TRANSPORTATION SUMMARY**

- The site is located at the intersection of a State-maintained, Avenue Grier Road and a State-maintained Avenue, Rocky River Road. A Traffic Impact Study (TIS) is not required for the site due to the development generating site trips under ordinance thresholds and not meeting additional TIS triggers. The petition has committed to constructing multi-use paths along both public road frontages, turn lane improvements along Grier Road, and a new public street. All Outstanding CDOT comments have been addressed.
- **Active Projects:**
 - N/A
- **Transportation Considerations**
 - No outstanding issues.
- **Vehicle Trip Generation:**
 - Current Zoning:
 - Existing Use: 15 trips per day (based on 1 single family dwelling unit).
 - Entitlement: 230 trips per day (based on 20 single family dwelling units).
 - Proposed Zoning: 483 trips per day (based on 70 single family attached dwelling units).
