STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for Neighborhood 1.

Rationale for Recommendation

- The Neighborhood 1 place type can be compatible and appropriate as an infill development transitioning with the adjacent single-family homes.
- The petition is appropriate and compatible because the N1-D district is more restrictive in regard to permitted uses.
- The Neighborhood 1 Place Type recommends neighborhoods with a variety of housing types, where single-family housing is still the predominant use.
- The petition is located next to Neighborhood 1 place type making it consistent.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 minute neighborhood
 - 2: Neighborhood Diversity & Inclusion
