RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Northeast Area Plan* recommendation for single family/multi-family/office use with residential density ranging between 4-12 units per acre.

Rationale for Recommendation

- Limits the number of units to 380 for a density of 10.25 dwelling units per acre.

- The site is located in area with recent similar type and density development activity including multi-family and commercial uses to the west at Trevi Village and is in close proximity to the Charlotte Motor Speedway across the Cabarrus County border.
- The petition commits to dedicate 1.1 acres for future neighborhood park to Mecklenburg County Parks and Recreation.

- Public Plans and Policies**

- The *Northeast Area Plan* (2000) recommends single family/multi-family/office use for the site and surrounding area and specifies density in this area should range between 4 and 12 units per acre.

- **TRANSPORTATION SUMMARY**

- The site is located on North Tryon Street, a State-maintained major thoroughfare northeast of Floyd Smith Office Park Drive, a Private local street. The 37-acre site abuts Cabarrus County limits. A TIS study is not required due the generated trips being below both NCDOT and CDOT thresholds. The petitioner has committed to dedicating 100' of right-of-way for the Caldwell Road Extension project, installing a 12-foot multi-use path with an 8-foot minimum planting strip along N Tryon Street to meet the City Charlotte BIKES and Charlotte WALKS Council-Adopted policies and constructing an 8-foot planting strip and 6-foot sidewalk on all proposed public local roads per Chapter 20. The petitioner has also committed to constructing a leftover at the site's N Tryon Street access point with a U-turn bulb north of the site's access point per NCDOT standards. CDOT has no outstanding issues.
