To Approve:

This petition is found to be **consistent** with the *2040 Policy Map* (2022) based on the information from the staff analysis and the public hearing, and because:

• The map recommends Innovation Mixed Use.

Therefore, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The site is within a ¾ mile walk of the 36th St. and 25th St. stations on the Lynx Blue Line.
- The site is located on N. Tryon St. in an area with recent rezonings to TOD designations.
- The proposed zoning would allow the site to be developed with transit supportive uses compatible with existing commercial development and recent redevelopment occurring in the area.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
