STAFF RECOMMENDATION

Staff recommends approval of this petition upon resolution of outstanding issues related to the environment.

Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for the Manufacturing & Logistics Place Type.

Rationale for Recommendation

- The site is currently zoned I-1(CD), allowing similar uses as requested in this petition.
- The petition is consistent with the *2040 Policy Map* recommendation for the Manufacturing & Logistics Place Type.
- The petition prohibits many of the most noxious uses such as adult uses and crematoriums that would otherwise be permitted in the ML-1 district.

- The transportation commitments of the previous rezoning, which include a new public street, streetscape enhancements, and a contribution towards improvements at Mount Holly Road & Rhyne Road, have been completed.
- The petition provides a 100' Class A landscape yard along the western property boundary where adjacent to developed N1 Place Type.
- The petition commits to dedicating to Mecklenburg County three acres for a public park and a minimum 90' wide trail easement along the western property boundary.
- The petition could facilitate the following *2040 Comprehensive Plan Goals*:
 - 5: Safe & Equitable Mobility
 - 7: Integrated Natural & Built Environments
 - 8: Diverse & Resilient Economic Opportunity

PLANNING STAFF REVIEW

• Background

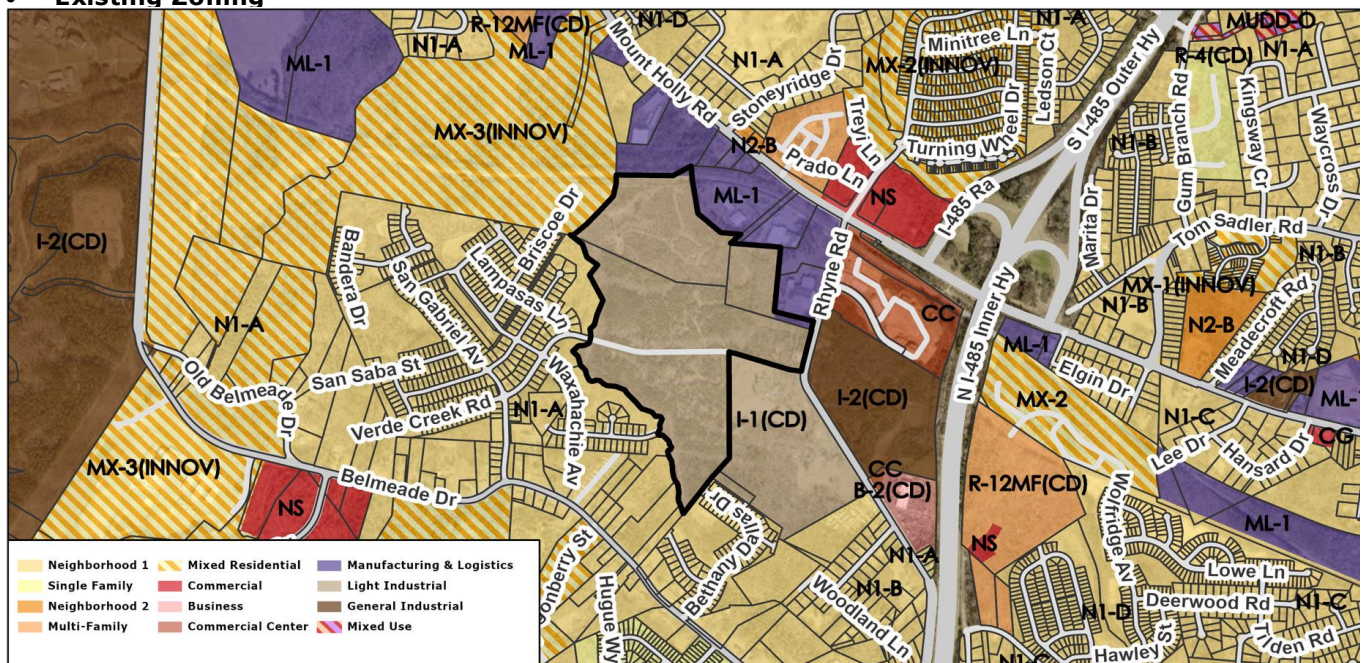

- This petition follows petition 2021-284, which rezoned this site as well as an additional 52 acres to I-1(CD). The transportation commitments of 2021-284 have been completed. The petitioner is seeking to rezone to ML-1(CD) so that the parcel can be developed according to UDO standards.

• Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Allows for 1,275,931 square feet of gross floor area of warehousing, warehouse, distribution, manufacturing, office, and other primary and accessory uses permitted in the ML-1 zoning district.
- Prohibits the following uses: agriculture-industrial processes, adult use, airports, animal crematoriums, armories for meetings and training of military organizations, vehicle repair facility(major or minor), beneficial fill sites, car washes, crematory facilities, commercial rooming houses, dry cleaning and laundry establishments, heliports and helistops, shooting range (indoor), correctional facility, junk yards, petroleum tank farm, cemeteries, landfills, quarries, raceway and dragstrips, railroad freight terminals and yards, stadiums and arenas of no more than 5,000 seats.
- Confirms that transportation commitments under petition 2021-284 have been completed.
- Provides a minimum 100' Class A landscape yard along the western property boundary.
- Commits to dedication of 3 acres to Mecklenburg County for a future neighborhood park.
- Commits to dedication of a minimum 90' wide trail easement along the western property boundary to Mecklenburg County for future trail connection.
- Confirms that the development will have zero footcandles at the property lines of adjacent single-family zoning.

• Existing Zoning

- The site is zoned I-1(CD) and is surrounded by a mix of districts including ML-1, I-1(CD), I-2(CD), N1-A, MX-3(INNOV).

The site, marked by a red star, is vacant, wooded land. Surrounding uses include industrial uses to the north and east and residential uses to the south and west.

• Public Plans and Policies

- The 2040 Policy Map (2022) recommends the Manufacturing & Logistics place type for the site.

• TRANSPORTATION SUMMARY

- The petition is located adjacent to Verde Creek Road, a privately maintained major collector, west of Rhyne Road, a State-maintained minor arterial. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the conventional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.
- **Active Projects:**
