STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Midtown Morehead Cherry Area Plan* (2012) recommendation for office uses at this site.

Rationale for Recommendation

- The site is directly adjacent to areas zoned O-2.
- This rezoning would allow for the redevelopment of the site to a use that is in line with the proposed land use prescribed in the area plan.
- The site is located along a major thoroughfare among development of moderate intensity, appropriate for the application of the O-2 zoning district.

PLANNING STAFF REVIEW
