**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the *Park Woodlawn Area Plan (2013)* recommendation of residential at 12 dwelling units per acre (DUA).

Rationale for Recommendation

- The proposal will add an additional building within an already existing multi-family community and would be consistent with the surrounding context.
- The proposal will continue to add housing options to the area while not displacing residents from existing residential units.

- The proposal will enhance pedestrian infrastructure in the area by installing ADA compliant ramps at nearby intersections, as well as the creation of a pedestrian refuge island on Scaleybark Rd.

The approval of this petition will revise the adopted future land use as specified by the *Park Woodlawn Area Plan*, from residential uses at 12 DUA to new residential at 17 DUA for the site.

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Add an additional multi-family building containing 16 units to the site to bring the total units to 264
- Installation of ADA compliant ramps at the existing T intersection of Scaleybark Rd. and Broadmoor Dr., and at the site's main access intersection on Scaleybark Rd.
- Modification of the existing concrete island in Scaleybark Rd. at the site's main entrance so that it functions as a pedestrian refuge island.
- Dedication of 30' of ROW measured from centerline along the site's frontage of Scaleybark Rd.
- Sidewalks and crosswalk network that links the buildings on site

• Existing Zoning and Land Use

- The site is currently zoned R-12MF(CD) and adjacent properties are zoned R-12MF and R-17MF, and R-4. Properties along Scaleybark are developed with similar multi-family communities, and properties to the east and west are zoned with single-family homes.

- The site, red star above, is in an area with primarily single family and multi-family residential developments, with some churches and other institutional uses spread throughout.

- North of the site is a multi-family residential development.

- East of the site are single family homes and a church.

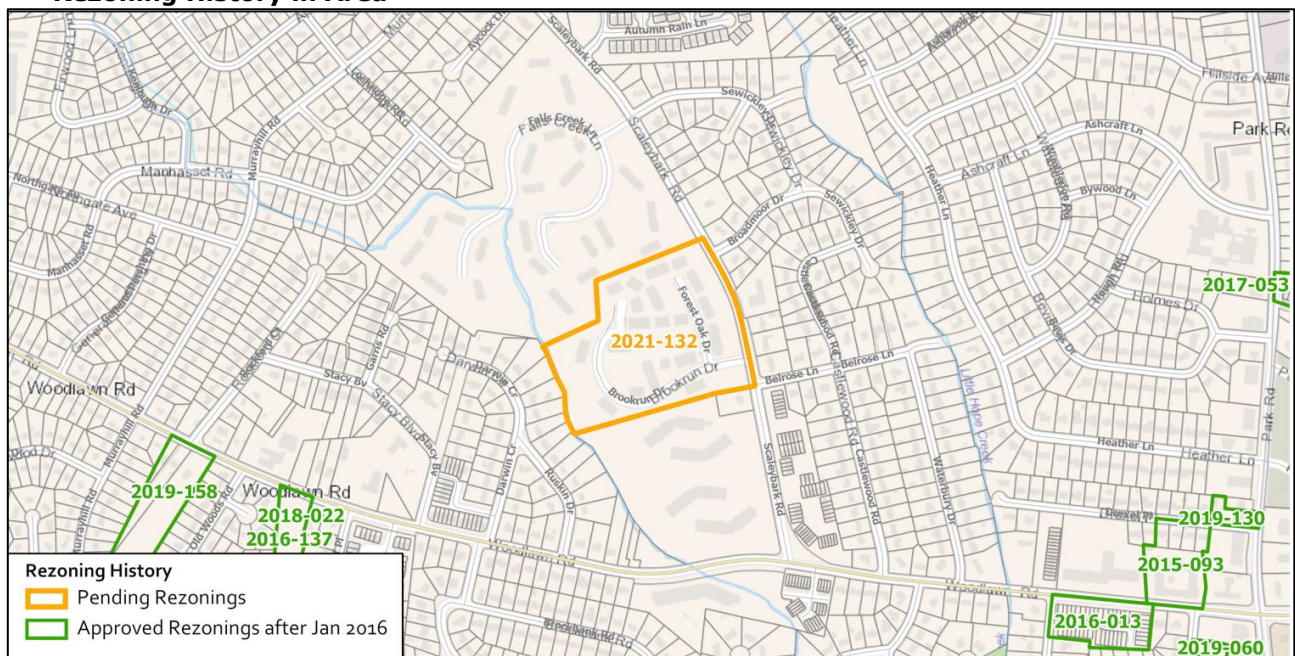

- South of the site is a multi-family residential development.

- West of the site are single family homes.

- **Rezoning History in Area**

- **Charlotte-Mecklenburg Historic Landmarks:** No comments submitted.
- **Charlotte-Mecklenburg Police Department:** No comments submitted.
- **Charlotte-Mecklenburg Schools:** The development allowed under the existing zoning could generate 46 students, while the development allowed under the proposed zoning may produce 49 students. Therefore, the net increase in the number of students generated from existing zoning to proposed is 3 students.
 - The proposed development is not projected to increase the school utilization over existing conditions (without mobile classroom units) as follows:
 - Pinewood Elementary remains at 101%
 - Alexander Graham Middle remains at 112%
 - Myers Park High remains at 121%.
 - **Charlotte Water:** Charlotte Water has accessible water system infrastructure for the rezoning boundary via an existing 30-inch water distribution main located along Scaleybark Rd.

Charlotte Water has accessible sanitary sewer system infrastructure for their zoning boundary via an existing 8-inch gravity sewer main located along Scaleybark Rd.

Goals Relevant to Rezoning Determinations

Rezoning Petition # 2021-132

The following table represents an overview of the relationship between the **Charlotte Future 2040 Comprehensive Plan** and **Rezoning Petitions**. This is an evolving analysis that is expected to be refined when **Policy Mapping** is completed and adopted (anticipated early 2022).

Please note: not all goals will apply to all rezoning petitions.

Goals	Goal Description	Relationship to Charlotte Future 2040 Comprehensive Plan
	Goal 1: 10- Minute Neighborhoods All Charlotte households should have access to essential amenities, goods, and services within a comfortable and tree-shaded 10-minute walk, bike, or transit trip by 2040. Not all neighborhoods are expected to include every essential amenity, good, or service, but every resident should have access within a ½ mile walk or a 2-mile bike or transit ride.	✓
	Goal 2: Neighborhood Diversity & Inclusion Charlotte will strive for all neighborhoods to have a diversity of housing options by increasing the presence of middle density housing (e.g. duplexes, triplexes, fourplexes, townhomes, accessory dwelling units, and other small lot housing types) and ensuring land use regulations allow for flexibility in creation of housing within existing neighborhoods.	N/A
	Goal 3: Housing Access for All Charlotte will ensure opportunities for residents of all incomes to access affordable housing through the preservation of naturally occurring affordable and workforce housing and increasing the number of affordable and workforce housing units through new construction.	N/A
	Goal 4: Trail & Transit Oriented Development (2-TOD) Charlotte will promote moderate to high-intensity, compact, mixed-use urban development along high-performance transit lines and near separated shared-use paths or trails.	N/A

	<p>Goal 5: Safe & Equitable Mobility</p> <p>Charlotte will provide safe and equitable mobility options for all travelers regardless of age, income, ability, race, where they live, or how they choose to travel. An integrated system of transit and tree-shaded bikeways, sidewalks, shared-use paths, and streets will support a sustainable, connected, prosperous, and innovative network that connects all Charlotteans to each other, jobs, housing, amenities, goods, services and the region.</p>	
	<p>Goal 6: Healthy, Safe & Active Communities</p> <p>All Charlotteans will live and work in safe and resilient neighborhoods that enable healthy and active lifestyles by reducing exposure to harmful environmental contaminants, expanding and improving the quality of tree canopy, encouraging investment in walking, cycling, and recreation facilities, and providing access to healthy food options and healthcare services.</p>	<p>N/A</p>
	<p>Goal 7: Integrated Natural & Built Environments</p> <p>Charlotte will protect and enhance its surface water quality, tree canopy, and natural areas with a variety of trees, plantings, green infrastructure, green building practices, and open space at different scales throughout the entire community as a component of sustainable city infrastructure that addresses the threat of climate change.</p>	<p>N/A</p>
	<p>Goal 8: Diverse & Resilient Economic Opportunity</p> <p>Charlotteans will have opportunity for upward economic mobility through access to a diverse mix of jobs and careers that align with education and skill levels of residents and the economic strengths of the region.</p>	<p>N/A</p>
	<p>Goal 9: Retain Our Identity & Charm</p> <p>Charlotte will cultivate community-driven placemaking and identity, while limiting displacement and retaining the essence of existing neighborhoods by intentionally directing redevelopment.</p>	
	<p>Goal 10: Fiscally Responsible</p> <p>Charlotte will align capital investments with the adopted growth strategy and ensure the benefit of public and private sector investments benefit all residents and limit the public costs of accommodating growth</p>	<p>N/A</p>
