**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Northeast District Plan* (1996) recommendation of single family uses up to four dwelling units per acre and single family/multi-family/office uses up to 8 dwelling units per acre. The petition is **inconsistent** with the *Northeast District Plan* (1996) recommendation of greenway uses on a portion of the site.

Rationale for Recommendation

- This rezoning would allow for a slight increase in density in the area while still being contextually appropriate for the adjacent single family uses zoned R-3.
- The rezoning request is consistent with the single family land use recommendation for this area.
- The site is located approximately one mile from amenities along University City Boulevard.

The approval of this petition will revise the adopted future land use as specified by the *Northeast District Plan* (1996) from greenway uses for a portion of this site to single family residential uses.

PLANNING STAFF REVIEW

- **Proposed Request Details**

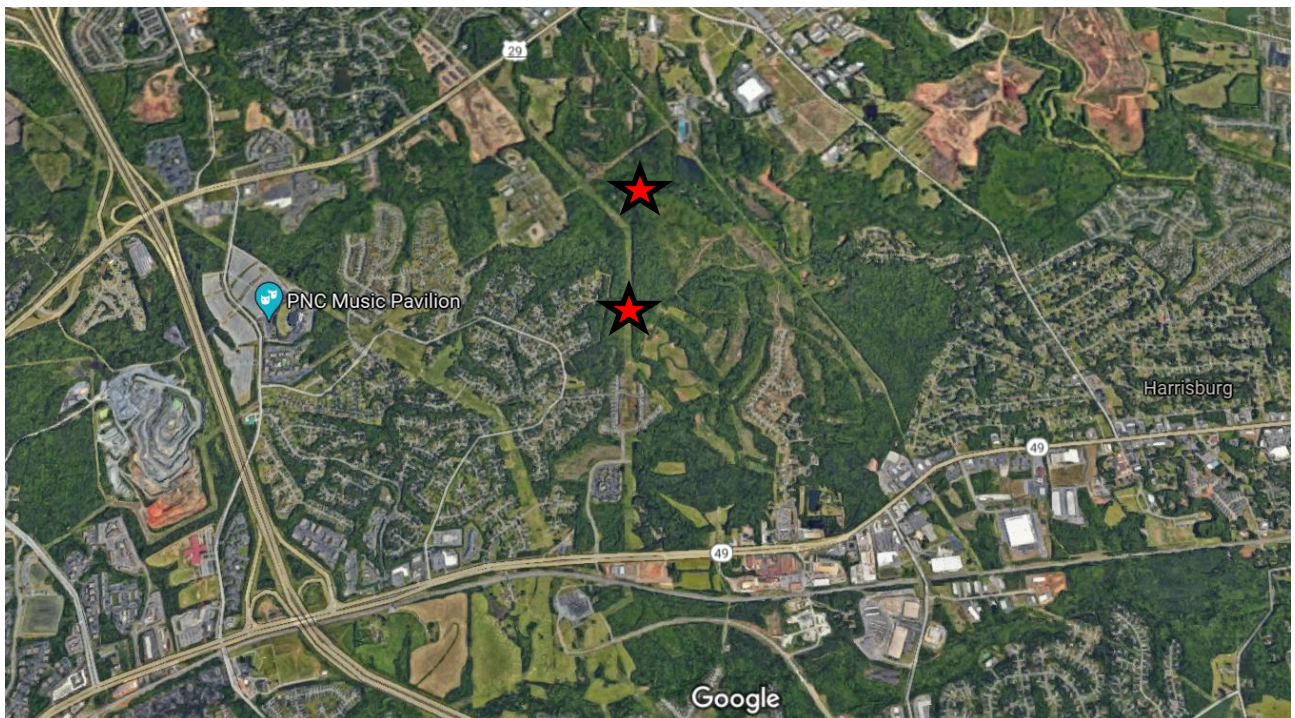

This is a conventional rezoning petition with no associated site plan.

- Allows all uses in the R-4 (single family residential) zoning district.

- The subject site is denoted with a red star.

- A majority of the parcels north of the site are vacant.

- The site's eastern boundary is along the Cabarrus County line and many of the parcels in this area are vacant with some dispersed residential uses.

- The *Northeast District Plan* (1996) recommends single family uses up to four dwelling units per acre, single family/multi-family/office uses up to 8 dwelling units per acre, and greenway uses on this site.

- **TRANSPORTATION SUMMARY**

- The site is located adjacent to Harris Houston Road, a City-maintained major collector south of Hunters Trace Court, a City-maintained local street. A Traffic Impact Study (TIS) is not needed for this site. The 114-acre site is proposing 457 dwelling units under this conventional rezoning petition.
