

Rezoning Petition 2021-141 Pre-Hearing Staff Analysis February 21, 2022

REQUEST

Current Zoning: O-2 (office) Proposed Zoning: NS (neighborhood services) with 3-year vested rights

LOCATION

Approximately 0.33 acres located on east side of E. 34th Street, northwest of The Plaza, and east of Matheson Avenue.

SUMMARY OF PETITION	The petition proposes to allow a 9-unit single family attached residential development (townhomes) on a vacant lot, at a density of 27.27 units per acre.	
PROPERTY OWNER PETITIONER AGENT/REPRESENTATIVE	Gus and Zoe Mihelakis The Drakeford Company Russell Fergusson	
COMMUNITY MEETING	Meeting is required and has been held. Report available online. Number of people attending the Community Meeting: 0	
STAFF RECOMMENDATION	Staff recommends approval of this petition upon resolution of outstanding issues related to transportation and site and building design.	
	<u>Plan Consistency</u> The petition is inconsistent with the <i>Central District Plan's</i> recommendation for single family uses up to four dwelling units per acre (DUA) for the site. The General Development Policies (2007) provide policy guidance and locational criteria for evaluating applicable parcels previously recommended for residential uses for density. While recommended for a lower density, the General Development Policies' locational criteria would score this site for over 17 dwelling units per acre with design guidelines. At over 17 dwelling units per acre, this petition includes adequate additional commitments to design.	

 Rationale for Recommendation The petition aligns with the Central District Plan's policy of "providing opportunities for higher density infill housing in appropriate locations throughout the district." A proposal for attached single family residential is consistent with the adjacent development pattern. The rezoning site is located between retail and multifamily residential land uses.
The approval of this petition will revise the adopted future land use as specified by the <i>Central District Plan</i> , from single family uses up to four DUA to residential uses greater than 22 DUA acre for the site.

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Up to 9 attached single family residential dwelling units with individual garages within a maximum of 3 structures, at a density of 27.27 units per acre.
- Maximum building height of 48 feet.
- Proposed private 20-foot wide access onto E. 34th Street. Petitioner may improve the abutting existing alleyway for vehicular access to the east side of the parcel.
- Proposes a variety of principal building materials to be a combination of the following: masonry, brick, concrete, pre-cast concrete, stone, precast stone, pre-finished metal, aluminum, steel, stucco, wood, ceramic tile, cementitious fiber board and glass fiber reinforced concrete.
- Prohibits vinyl as a building material except for soffits, windows and other minor components.
- Proposes architectural standards addressing blank walls; building façade and orientation; pedestrian connection; and corner or end units facing a public street.

 The parcel is currently vacant and immediately surrounded by a mix of single family, multifamily, and retail uses on properties in various zoning districts.

The site is currently vacant.

South, southeast, and southwest are commercial uses located near and at the intersection of E. $34^{\rm th}$ Street and The Plaza (above and below pics).

West and northwest are single family and multifamily residences (above and below pics).

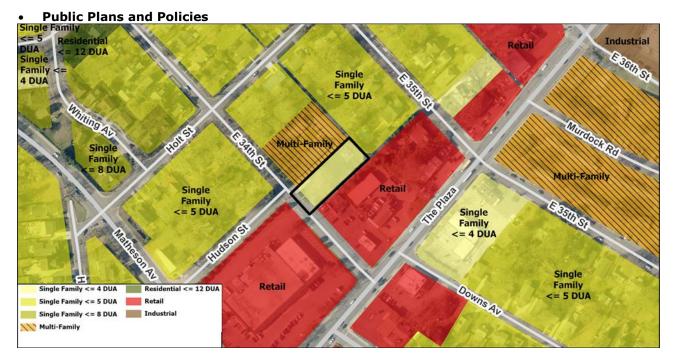

Northeast are single family homes.

Petition Number	Summary of Petition	Status
2020-172	Rezoned 0.312 acres to UR-1(CD) to allow 3 single family detached lots.	Approved
2019-170	Rezoned 0.37 acres to NS to allow change of use.	Approved
2018-105	Rezoned 0.90 acres to NS to allow change of use.	Approved
2018-021	Rezoned 0.37 acres to B-1 to allow all uses.	Approved

Rezoning History in Area •

- The Central District Plan recommends single family uses up to four DUA for the site.
- The *General Development Policies* (GDP) provides policy guidance for evaluating proposed residential densities greater than four units per acre. The petition meets the General Development Policies locational criteria for consideration of over 17 dwellings per acre as illustrated in the table below.

Assessment Criteria	Density Category – over 17 dua
Meeting with Staff	1
Sewer and Water Availability	2
Land Use Accessibility	2
Connectivity Analysis	5
Road Network Evaluation	0
Design Guidelines	4
Other Opportunities or Constraints	NA
Minimum Points Needed: 14	Total Points: 14

• TRANSPORTATION SUMMARY

The site is located on East 34th Street, a City-maintained local street southeast of Hudson Street, a City-maintained local street. A Traffic Impact Study (TIS) is not needed for this site.

Site plan revisions are needed to meet ordinance requirements and the outstanding items including, but not limited to, construction of an 8-foot planting strip and 8-foot sidewalk along E 34th Street per Chapter 20 Subdivision Ordinance and Charlotte WALKS policy, providing a sidewalk utility easement located 2 feet behind the sidewalk along E 34th Street, labeling and dimensioning the back of curb and gutter from the centerline for 34th Street and providing a public access easement dimensioned 2 feet from the edge of proposed widening alley. Further details are listed below:

Active Projects:

• N/A

• Transportation Considerations

• See Outstanding Issues, Notes 1-4.

Vehicle Trip Generation:

Current Zoning:

Existing Use: 0 trips per day (based on vacant land).

Entitlement: 60 trips per day (based on 4,890 square foot office).

Proposed Zoning: 30 trips per day (based on 9 townhouse units).

DEPARTMENT COMMENTS (see full department reports online)

- Charlotte Area Transit System: No outstanding issues.
- Charlotte Department of Housing and Neighborhood Services: No comments submitted.
- Charlotte Department of Solid Waste Services: No outstanding issues.
- Charlotte Fire Department: See advisory comments at www.rezoning.org
- **Charlotte-Mecklenburg Schools:** The development allowed under the existing zoning could generate 1 student, while the development allowed under the proposed zoning may produce 0 student. Therefore, the net increase in the number of students generated from existing zoning to proposed is 0.
 - The proposed development is not projected to increase the school utilization over existing conditions (without mobile classroom units) as follows:
 - Villa Heights Elementary remains at 75%
 - Eastway Middle remains at 117%%
 - Garinger High remains at 117%%.
 - See advisory memo at www.rezoning.org.
- **Charlotte Water:** Charlotte Water has accessible water system infrastructure for the rezoning boundary via an existing 6-inch water distribution main located along E 34th St.

Capacity Limited: The proposed rezoning is located in an area that Charlotte Water has determined to have limited sanitary sewer system capacity. Sanitary sewer service will be dependent on the completion of a public infrastructure project—Charlotte Water's Little Sugar Creek Project. This project was identified to support current and future customers, and any proposed sanitary sewer flow shall be coordinated to discharge after completion of said project.

- **City Arborist:** No comments submitted.
- **Erosion Control:** No comments submitted.
- Mecklenburg County Land Use and Environmental Services Agency: See advisory comments at www.rezoning.org
- Mecklenburg County Parks and Recreation Department: No comments submitted.
- Stormwater Services Land Development Engineering: No outstanding issues.
- Storm Water Services: See advisory comments at www.rezoning.org
- **Urban Forestry:** No comments submitted.

OUTSTANDING ISSUES

Transportation

- 1. Curbline: The proposed zoning district has a setback measured from back of the existing curbline. 34th Street: the existing curb and gutter is in its future location. Label and dimension the back of curb and gutter from the centerline for 34th Street on the site plan.
- 2. Revise site plan and conditional note(s) to commit to constructing an 8-foot planting strip and 8foot sidewalk per Chapter 19 and 20.
- 3. Revise site plan and conditional note(s) to commit to providing a public access easement dimensioned at 2' from the edge of the proposed widened alley.
- 4. Revise site plan and conditional note to providing a sidewalk utility easement (SUE) located 2' behind the sidewalk located along E 34th Street.

Site and Building Design

- 5. Break up the building into 2 separate buildings with 4 and 5 units. One large building with 9 units is not a desired outcome supported by staff.
- 6. Remove 3-year vested rights from request as this is a 9-unit project.
- 7. Remove note 2a from the conditional notes to avoid confusion that other uses outside the proposed 9 units would be permitted.
- 8. Add note stating alterations and modifications will be per Section 6.207 of the City of Charlotte Zoning Ordinance.
- 9. Please make sure the unit along 34th street meets Note 4.f.ii. by providing a SW connection.
- 10. Add a clear note that "this development will not be associated or share any services or amenities with the abutting existing units or parcels not included in this rezoning."

Goals Relevant to Rezoning Determinations Rezoning Petition # 2021-141

The following table represents an overview of the relationship between the **Charlotte Future 2040 Comprehensive Plan** and **Rezoning Petitions**. This is an evolving analysis that is expected to be refined when **Policy Mapping** is completed and adopted (anticipated early 2022).

Please note: not all goals will apply to all rezoning petitions.

Goals	Goal Description	Relationship to Charlotte Future 2040 Comprehensive Plan
	Goal 1: 10- Minute Neighborhoods All Charlotte households should have access to essential amenities, goods, and services within a comfortable and tree-shaded 10-minute walk, bike, or transit trip by 2040. Not all neighborhoods are expected to include every essential amenity, good, or service, but every resident should have access within a ½ mile walk or a 2-mile bike or transit ride.	
	Goal 2: Neighborhood Diversity & Inclusion Charlotte will strive for all neighborhoods to have a diversity of housing options by increasing the presence of middle density housing (e.g. duplexes, triplexes, fourplexes, townhomes, accessory dwelling units, and other small lot housing types) and ensuring land use regulations allow for flexibility in creation of housing within existing neighborhoods.	
I AR	Goal 3: Housing Access for All Charlotte will ensure opportunities for residents of all incomes to access affordable housing through the preservation of naturally occurring affordable and workforce housing and increasing the number of affordable and workforce housing units through new construction.	X
	Goal 4: Trail & Transit Oriented Development (2-TOD) Charlotte will promote moderate to high- intensity, compact, mixed-use urban development along high-performance transit lines and near separated shared-use paths or trails.	N/A
