

Petition 2021-218 by Boulevard Real Estate Advisors, LLC

To Approve:

This petition is found to be **inconsistent** with the *2040 Policy Map* (2022) based on the information from the staff analysis and the public hearing, and because:

- The policy map recommends Neighborhood 1 for this site.

However, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The site is within a ½-mile walk to the Scaleybark Station.
- The TOD-NC district may be applied to parcels within a 1-mile walking distance of an existing rapid transit station or within a 1-mile walking distance of an adopted Metropolitan Transit Commission (MTC) alignment station location.
- This site is adjacent to the Neighborhood 2 place type and diagonal from areas under the Community Activity Center place type
- The TOD-NC zoning district maintains the high level of design standards associated with the TOD-UC zoning district, but TOD-NC is more appropriate for this site due to its surrounding context of more moderately intense uses, as compared to the high intensity of uses along South Boulevard and Old Pineville Road, just east of the site.
- The use of conventional TOD-NC zoning applies standards and regulations to create the desired form and intensity of transit supportive development, and a conditional rezoning is not necessary.
- TOD standards include requirements for appropriate streetscape treatment, building setbacks, street-facing building walls, entrances, and screening.

The approval of this petition will revise the recommended Place Type as specified by the *2040 Policy Map* (2022), from Neighborhood 1 to Neighborhood Center for the site.
