Plan Consistency

The petition is petition is **consistent** with the 2040 Policy Map recommendation for Community Activity Center (CAC).

Rationale for Recommendation

- Community Activity Centers are typically along transit corridors or major roadways, providing access to goods, services, dining, entertainment, and residential for residents.
- The site is located on Monroe Road across from the Galleria shopping center, an area with a mixture uses including other EDEEs with drive through service windows.
- The site is an existing EDEE use and site layout accommodates the addition of a service lane/window without reconfiguration of parking and drive aisles.

- The site is at the south western edge of the activity center.
- The petition removes the existing back of curb sidewalk and constructs a 12-ft multi-use path along Monroe Rd.
- The drive through window and lane is located to the side and rear of the building and will be screened by existing landscaped areas.

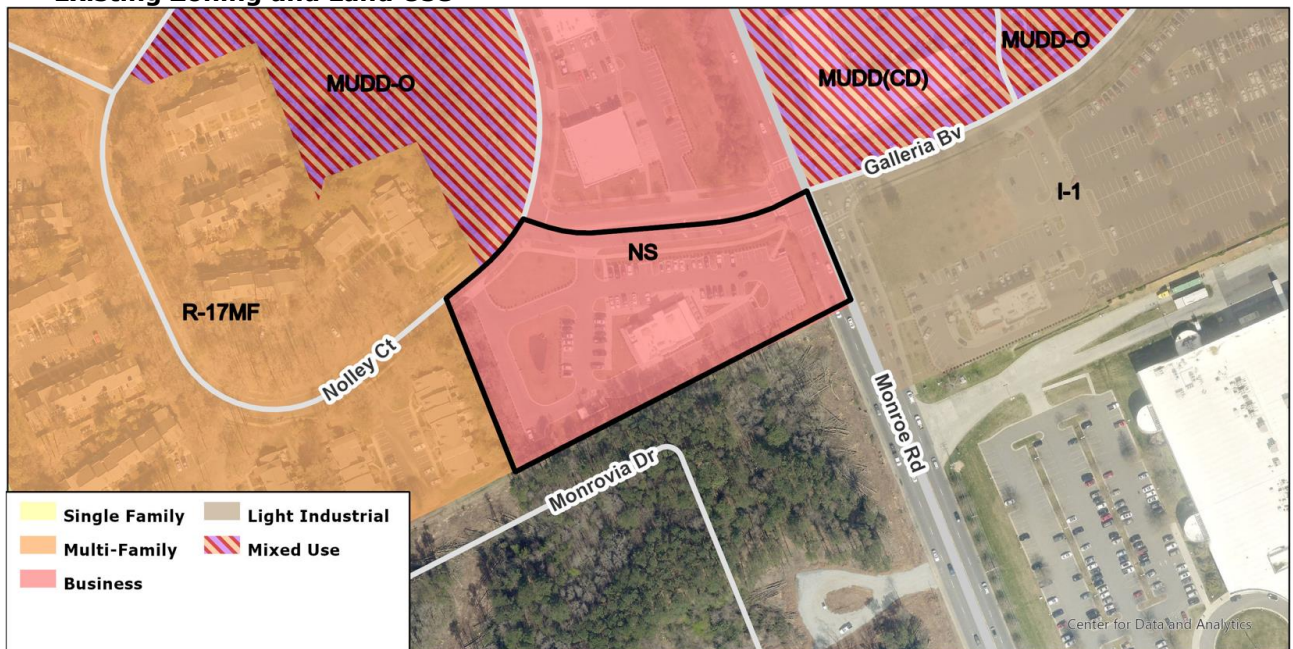

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan amendment contains the following changes:

- Proposes the existing EDEE to remain.
- Allows the addition of a drive through service lane for the existing EDEE.
- Does not change the existing site driveway and parking layout.
- Provides right of way dedication and notes future Lynx Silver Line along Monroe Rd.
- Removes the existing back of curb sidewalk, establishes a 8 ft planting strip and constructs a 12 ft multi-use path along Monroe Rd. and reconstructs curb ramps at Galleria Blvd.

• Existing Zoning and Land Use

The site was previously rezoning as part of 2004-022 to NS to allow a office, retail, financial institution, commercial and/or EDEE uses. Drive through service windows were limited to financial institutions. The site is located on Monroe Road in an area with a mix of uses in around the Galleria shopping center.

The site, indicated by the red star above, is located in an area with a mix of uses with commercial fronting Monroe Road and residential uses primarily to the northwest, south and west.

The site is currently developed with an existing EDEE.

North of the site, across Galleria Blvd. is a commercial retail use.

East of the site, across Monroe Rd is a financial institution and an EDEE, both with drive through service windows.

South of the site along Monroe Rd is a multi-family residential development in the Town of Matthews jurisdiction.

West of the site, along Nolley Ct is multi-family residential.

- **TRANSPORTATION SUMMARY**

- The site is located adjacent to Galleria Boulevard, a City-maintained Local Street, between Nolley Court, a City-maintained Local Road, and Monroe Road, a State-maintained Major Thoroughfare. A Traffic Impact Study (TIS) is not necessary for the complete review of this petition due to the site generating less than 2,500 daily trips. The site plan commits to dedicate right-of-way on Nolley Court and to construct a 12-ft multiuse path along the site's Monroe Road frontage in accordance with the Charlotte BIKES and Charlotte WALKS Council-adopted policy.
