**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with a portion of the site recommended for Manufacturing & Logistics Place Type, and **inconsistent** with the remaining portion recommended for the Neighborhood 1 Place Type, as per the 2040 Policy Map.

Rationale for Recommendation

- While a portion of the site is inconsistent with the recommended Neighborhood 1 Place Type, the remainder is consistent with the Manufacturing & Logistics recommendation.

- The site is adjacent to railroad and other industrially zoned and developed properties. Also, it provides quick access to Interstate 485 via Rhyne Road and Mount Holly Road.
- The proposed site plan will provide adequate buffers from adjacent residential uses in the form of a minimum 75' buffer with a berm.
- The petition commits to several transportation improvements including an 8' planting strip and 12' multi-use path along the site's Rhyne Rd frontage and a \$250,000 contribution towards intersection improvements at Mount Holly Rd & Rhyne Rd / Sonoma Valley Dr.
- The petition commits to dedicating to Mecklenburg County 3 acres for a public park and a minimum 90' wide trail easement along the western property boundary.
- The petition could facilitate the following *2040 Comprehensive Plan Goals*:
 - 5: Safe & Equitable Mobility
 - 7: Integrated Natural & Built Environments
 - 8: Diverse & Resilient Economic Opportunity

The approval of this petition will revise the adopted Place Type as specified by the *2040 Policy Map*, for a portion of the site from current recommended Neighborhood 1 Place Type to Manufacturing & Logistics for the entire site.
