TRANSPORTATION SUMMARY

- The petition is located adjacent east of Benfield Road, a city maintained minor thoroughfare, and south of Ridge Road, a city maintained major thoroughfare. The site is also located adjacent to Brice Knoll Lane, a city maintained local road. A Traffic Impact Study (TIS) is not needed for this. The existing bike lanes, sidewalks, and planting strips on Benfield Road and Ridge Road will remain with this petition. CDOT has coordinated with the petitioner to extend the median along Benfield Road, extend existing Brice Knoll Lane along their site frontage, and dedicate 57-feet of ROW for the future alignment of Highland Shoppes Drive. CDOT has no outstanding issues.
