

Council Referral for the UDO

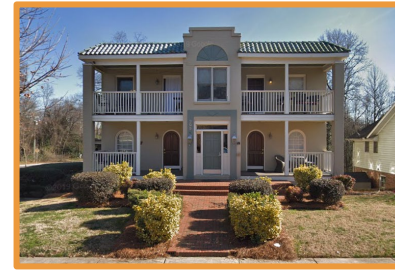

Transportation, Planning and Development Committee

Presentation Agenda

Council referred agenda item from May 22nd business meeting

- During the May 22, 2023 City Council meeting, there was a Council action referral for staff to recommend alternative options, including a schedule, for potential changes to the UDO for allowing duplexes and triplexes in larger projects developing by-right in residential zoning.
- **Residential N1 Zoning Districts: What is currently allowed in UDO?**
- **How are duplexes and triplexes treated in other comparable cities?**
- **Options for consideration**

N1 Zoning Districts: What is allowed?

Options for Consideration

- 1. Monitor development patterns with regular reports to Council providing data and examples over the next 6 months**
- 2. Consider an approach requiring a mix of units when duplexes and triplexes are proposed in large residential subdivisions**
 - ▶ Increases housing options
 - ▶ Reduces total units allowed

Questions & Discussion
