

Petition 2022-205 by DR Horton

To Approve:

This petition is found to be **consistent** with the *2040 Policy Map* recommendation for the Neighborhood 2 Place Type for the majority of the site, but **inconsistent** with the recommendation for the Neighborhood 1 Place Type for a portion of the site based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map* (2022) recommends the Neighborhood 1 and Neighborhood 2 place types for this site.

However, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The petition proposes to contribute to the variety of housing options in the area.
- This petition is consistent with the growing Neighborhood 2 development along Mallard Creek Road and would be well served by the activity centers to the southwest along Derita Ave and to the northeast along W. T. Harris Blvd.
- The petition commits to improvements on Penninger Circle, including include improving curb and gutter, sidewalks, and street trees.
- The petition proposes to contribute to connectivity with stub street connections from the public right of way Hyrule Drive to the adjacent sites.
- The landscaped buffers along existing single-family uses provide appropriate protection of the adjoining neighborhoods.
- This location is well served by bus transit along Mallard Creek Road.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion
 - 5: Safe & Equitable Mobility
 - 6: Healthy, Safe & Active Communities
 - 7: Integrated Natural & Built Environments.

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 to Neighborhood 2 for a portion of the site.
