

Good Faith Efforts Summary

Main Data Center - Construction

Per the City's CBI Policy (Part B: Section 2.1), when the Established SBE Goal on this contract was not met at bid opening, Edison Foard was required to submit detailed documentation reflecting their Good Faith Efforts to meet the established SBE goal at the time of bid opening. Edison Foard was required to demonstrate that it earned the minimum 50 Good Faith Effort (GFE) points, out of a total of 155 available GFE points.

Edison Foard provided a substantial amount of documentation to support their award of GFE points. After extensive review, City staff determined that Edison Foard exceeded the minimum 50 GFE points and earned a total of **120** GFE points. A summary of total points earned is provided below:

- GFE 5.3.1: Contacts (10 points)
- GFE 5.3.2: Making Plans Available (10 points)
- GFE 5.3.3: Breaking Down Work (15 points)
- GFE 5.3.4: Working with SBE and MBE Assistance Organizations (0 points)
