“*2008 Bonds*” means the City’s \$184,035,000 General Obligation Refunding Bonds, Series 2008.

Section 2. The City shall issue its Bonds in an aggregate principal amount not to exceed \$29,000,000.

Section 3. The Bonds shall be dated as of their date of issuance. The Bonds shall pay interest semiannually on February 1 and August 1, beginning February 1, 2019, unless the Chief Financial Officer establishes different dates in his Pricing Certificate. The Bonds are being issued to refund the Refunded Bonds pursuant to and in accordance with the Bond Order.

Section 4. The Bonds are payable in installments on August 1 of each year, unless the Chief Financial Officer establishes different dates in his Pricing Certificate. The maturities of the Bonds will be as set forth in the Pricing Certificate.

Section 5. The Bonds are to be numbered from “R-1” consecutively and upward. All Bonds shall bear interest from their date at a rate or rates which will be hereafter determined on the sale thereof computed on the basis of a 360-day year of twelve 30-day months.

Section 6. The Bonds are to be registered as to principal and interest, and the Chief Financial Officer is directed to maintain the registration records with respect thereto. The Bonds shall bear the original or facsimile signatures of the Mayor, the Mayor Pro Tem or City Manager and the City Clerk or the Deputy City Clerk.

Section 7. The Bonds will initially be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity of the Bonds will be issued to The Depository Trust Company, New York, New York (“*DTC*”), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Interest on the Bonds will be payable to DTC or its nominee as registered owner of the Bonds in immediately available funds. The principal of and interest on the Bonds will be payable to owners of Bonds shown on the records of DTC at the close of business on the 15th day of the month preceding an interest payment date or a bond payment date. The City will not be responsible or liable for maintaining,

supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Chief Financial Officer determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will authenticate and deliver replacement Bonds in accordance with DTC's rules and procedures.

Section 8. The Bonds will not be subject to redemption before maturity, unless the Chief Financial Officer establishes different redemption provisions in his Pricing Certificate.

If the Pricing Certificate designates that the Bonds will be subject to redemption, then if less than all Bonds are called for redemption, the City shall select the maturity or maturities of the Bonds to be redeemed in such manner as the City in its discretion may determine, and DTC and its participants shall determine which such Bonds within a maturity are to be redeemed by lot; *provided, however*, that the portion of any Bond to be redeemed must be in principal amount of \$5,000 or integral multiples thereof and that, in selecting Bonds for redemption, each Bond is to be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. When the City elects to redeem any Bonds, notice of such redemption of such Bonds, stating the redemption date, redemption price and identifying the Bonds or portions thereof to be redeemed by reference to their numbers and further stating that on such redemption date there are due and payable on each Bond or portion thereof so to be redeemed, the principal thereof and interest accrued to the redemption date and that from and after such date interest thereon shall cease to accrue, is to be given not less than 30 days nor more than 60 days before the redemption date in writing to DTC or its nominee as the registered owner of such Bonds, by prepaid certified or registered United States mail (or by such other method permitted by DTC's rules and procedures), at the address provided to the City by DTC, but any failure or defect in respect of such mailing will not affect the validity of the redemption. If DTC is not the registered owner of such Bonds, the City will give notice at the time set forth above by prepaid first class United States mail, to the then-registered owners of such Bonds or portions thereof to be redeemed at the last address shown on the registration books kept by the City. The City will also mail or transmit electronically a copy of the notice of redemption within the time set forth above (1) to the Commission and (2) to the Municipal Securities Rule Making Board (the "MSRB") in a electronic format as prescribed by the MSRB.

If at the time of mailing of notice of redemption there is not on deposit money sufficient to redeem the Bonds called for redemption, such notice may state that it is conditional on the deposit of money for the redemption on the date of redemption as set forth in the notice. Any notice, once given, may be withdrawn by notice delivered in the same manner as the notice of redemption was given.

Section 9. The Bonds and the provisions for the registration of the Bonds and for the approval of the Bonds by the Secretary of the Commission are to be in substantially the form set forth in the Appendix A hereto.

Section 10. The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from gross income of the recipient thereof for federal income tax purposes of the interest on the Bonds, and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof. The City acknowledges that the continued exclusion of interest on the Bonds from the owner's gross income for federal income tax purposes depends, in part, on compliance with the arbitrage

limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the Bonds or other funds under its control be used, directly or indirectly, to acquire any asset or obligation, the acquisition of which would cause the Bonds to be “arbitrage bonds” for purposes of Section 148 of the Code. The Chief Financial Officer, or his designee, is hereby authorized to execute an Arbitrage and Tax Regulatory Agreement with respect to the Bonds.

Section 11. The Chief Financial Officer, or his designee, is hereby directed to create and establish a special fund to be designated “*City of Charlotte, North Carolina General Obligation Bonds, Series 2018A Cost of Issuance Fund*” (the “*Costs of Issuance Fund*”). From the proceeds of the Bonds, the State Treasurer will cause the amount set forth in the Pricing Certificate needed to redeem the Refunded Bonds to be transferred to DTC or its nominee, as registered owner of the 2008 Bonds, on August 1, 2018, or such other date as the Chief Financial Officer may determine, and transfer the balance of the proceeds from the sale of the Bonds to the Costs of Issuance Fund. The City will cause the amount necessary to redeem the remaining outstanding principal amount of the 2008 Bonds maturing on and after August 1, 2019, to be transferred to DTC or its nominee, as registered owner of the 2008 Bonds on or before August 1, 2018.

Proceeds on deposit in the Costs of Issuance Fund shall be used to pay the costs of issuance of the Bonds. Funds on deposit in the Costs of Issuance Fund shall be invested and reinvested by the Chief Financial Officer as permitted by the laws of the State of North Carolina. The Chief Financial Officer shall keep and maintain adequate records pertaining to each account and all disbursements from each account so as to satisfy the requirements of the laws of the State of North Carolina and assure that the City maintains its covenants with respect to the exclusion of the interest on the Bonds from gross income for purposes of federal income taxation. To the extent any funds remain in the Costs of Issuance Fund on February 1, 2019, the Chief Financial Officer shall apply the remaining proceeds of the Bonds to pay interest on the Bonds on February 1, 2019.

Section 12. Actions taken by officials of the City to select paying and transfer agents, and a bond registrar, or alternate or successor agents and registrars pursuant to Section 159E-8 of the Registered Public Obligations Act, Chapter 159E of the General Statutes of North Carolina, are hereby authorized and approved.

Section 13. The Commission is hereby requested to sell the Bonds through a private sale without advertisement to the Underwriters pursuant to the terms of the Bond Purchase Agreement at such prices as the Commission determines to be in the best interest of the City, subject to the approval of the Authorized Officers, as defined below, each such approval to be evidenced by the execution and delivery of the Bond Purchase Agreement. The Bonds will be sold at interest rates that result in a true interest cost not to exceed 3.50% and at a minimum purchase price of ninety-eight percent (98%) of the face value of the Bonds. The form and content of the Bond Purchase Agreement are in all respects approved and confirmed, and the Mayor, the Mayor Pro Tem, the City Manager or the Chief Financial Officer of the City (the “*Authorized Officers*”) are hereby authorized, empowered and directed, individually and collectively, to execute and deliver the Bond Purchase Agreement for and on behalf of the City, including necessary counterparts, in substantially the form and content presented to the City Council, but with such changes, modifications, additions or deletions therein as they may deem necessary, desirable or appropriate, the execution thereof to constitute conclusive evidence of the City Council’ approval of any and all such changes, modifications, additions or deletions therein. From and after the execution and delivery of the Bond Purchase Agreement, the Authorized Officers are hereby authorized, empowered and directed, individually and collectively, to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Bond Purchase Agreement as executed.

Section 14. The Authorized Officers and the City Clerk or Deputy City Clerk are hereby authorized and directed, individually and collectively, (1) to cause the Bonds to be prepared and (2) when they have been duly sold by the Commission, (a) to execute the Bonds and (b) to turn the Bonds over to the registrar and transfer agent of the City for delivery through the facilities of DTC to the Underwriters.

Section 15. The form and content of the Preliminary Official Statement, and the final Official Statement related to the Bonds which will be substantially in the form of the Preliminary Official Statement (the "*Final Official Statement*"), are in all respects authorized, approved and confirmed, and the Chief Financial Officer is authorized, empowered and directed to deliver the Preliminary Official Statement and the Final Official Statement in substantially the form and content of the Preliminary Official Statement presented to the City Council, but with such changes, modifications, additions or deletions therein as he may deem necessary, desirable or appropriate.

Section 16. The Authorized Officers, the City Clerk and the Deputy City Clerk are authorized and directed, individually and collectively, to execute and deliver for and on behalf of the City any and all additional certificates, documents, opinions or other papers and perform all other acts as may be required by the documents contemplated in this Resolution or as may be deemed necessary or appropriate in order to implement and carry out the intent and purposes of this Resolution, including the on-going administration of the Bonds. Any provision in this Resolution that authorizes more than one officer of the City to take certain actions shall be read to permit such officers to take the authorized actions either individually or collectively.

Section 17. The City agrees, in accordance with Rule 15c2-12 (the "*Rule*") promulgated by the Securities and Exchange Commission (the "*SEC*") and for the benefit of the Registered Owners and beneficial owners of the Bonds, as follows:

(1) by not later than seven months after the end of each Fiscal Year to the MSRB in an electronic format as prescribed by the MSRB, the audited financial statements of the City for the preceding Fiscal Year, if available, prepared in accordance with Section 159-34 of the General Statutes of North Carolina, as it may be amended from time to time, or any successor statute, or if such audited financial statements are not then available, unaudited financial statements of the City for such Fiscal Year to be replaced subsequently by audited financial statements of the City to be delivered within 15 days after such audited financial statements become available for distribution;

(2) by not later than seven months after the end of each Fiscal Year to the MSRB, the financial and statistical data as of a date not earlier than the end of the preceding Fiscal Year for the type of information included under the captions "**THE CITY--DEBT INFORMATION**" and "**--TAX INFORMATION**" (excluding information on overlapping units) in the Final Official Statement referred to in Section 15;

(3) in a timely manner not in excess of 10 business days after the occurrence of the event, to the MSRB, notice of any of the following events with respect to the Bonds:

(a) principal and interest payment delinquencies;

(b) non-payment related defaults, if material;

(c) unscheduled draws on the debt service reserves reflecting financial difficulties;

(d) unscheduled draws on any credit enhancements reflecting financial difficulties;

(e) substitution of any credit or liquidity providers, or their failure to perform;

(f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

(g) modification of the rights of the beneficial owners of the Bonds, if material;

(h) call of any of the Bonds, if material, and tender offers;

(i) defeasance of any of the Bonds;

(j) release, substitution or sale of any property securing repayment of the Bonds, if material;

(k) rating changes;

(l) bankruptcy, insolvency, receivership or similar event of the City;

(m) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to such actions, other than pursuant to its terms, if material; and

(n) appointment of a successor or additional trustee or the change of name of a trustee, if material; and

(4) in a timely manner to the MSRB, notice of the failure by the City to provide the required annual financial information described in (1) and (2) above on or before the date specified.

The City agrees that its undertaking under this Paragraph is intended to be for the benefit of the registered owners and the beneficial owners of the Bonds and is enforceable by any of the registered owners and the beneficial owners of the Bonds, including an action for specific performance of the City's obligations under this Paragraph, but a failure to comply will not be an event of default and will not result in acceleration of the payment of the Bonds. An action must be instituted, had and maintained in the manner provided in this Paragraph for the benefit of all of the registered owners and beneficial owners of the Bonds.

All documents provided to the MSRB as described in this Paragraph shall be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed

by the MSRB. The City may discharge its undertaking described above by providing such information in a manner the SEC subsequently authorizes in lieu of the manner described above.

The City may modify from time to time, consistent with the Rule, the information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the City, but:

(1) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the City;

(2) the information to be provided, as modified, would have complied with the requirements of the Rule as of the date of each Official Statement, after taking into account any amendments or interpretations of the Rule as well as any changes in circumstances;

(3) with respect to the Bonds, any such modification does not materially impair the interest of the registered owners or the beneficial owners of the Bonds, as determined by nationally recognized bond counsel or by the approving vote of the registered owners of a majority in principal amount of the Bonds.

Any annual financial information containing modified operating data or financial information will explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Paragraph terminate on payment, or provision having been made for payment in a manner consistent with the Rule, in full of the principal of and interest on the Bonds.

Section 18. Those portions of this Resolution other than Section 17 may be amended or supplemented, from time to time, without the consent of the owners of the Bonds if in the opinion of nationally recognized bond counsel, such amendment or supplement would not adversely affect the interests of the owners of such Bonds and would not cause the interest on the Bonds to be included in the gross income of a recipient thereof for federal income tax purposes. This Resolution may be amended or supplemented with the consent of the owners of a majority in aggregate principal amount of the Bonds then outstanding, exclusive of such Bonds, if any, owned by the City, but a modification or amendment (1) may not, without the express consent of any owner of Bonds, reduce the principal amount of any such Bond, reduce the interest rate payable on it, extend its maturity or the times for paying interest, change the monetary medium in which principal and interest is payable, or reduce the percentage of consent required for amendment or modification and (2) as to an amendment to Section 17, must be limited as described therein.

Any act done pursuant to a modification or amendment consented to by the owners of the Bonds is binding on all owners of such Bonds and will not be deemed an infringement of any of the provisions of this Resolution, whatever the character of the act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent has been given, no owner of such Bond has any right or interest to object to the action, to question its propriety or to enjoin or restrain the City from taking any action pursuant to a modification or amendment.

If the City proposes an amendment or supplemental resolution to this Resolution requiring the consent of the owners of the Bonds, the Registrar shall, on being satisfactorily indemnified with respect to expenses, cause notice of the proposed amendment to be sent to each owner of such Bonds then

outstanding by first-class mail, postage prepaid, to the address of such owner as it appears on the registration books; but the failure to receive such notice by mailing by any owner, or any defect in the mailing thereof, will not affect the validity of any proceedings pursuant hereto. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal office of the Registrar for inspection by all owners of such Bonds. If, within 60 days or such longer period as shall be prescribed by the City following the giving of such notice, the owners of a majority in aggregate principal amount of such Bonds then outstanding have consented to the proposed amendment, the amendment will be effective as of the date stated in the notice.

Section 19. Nothing in this Resolution precludes (a) the payment of the Bonds from the proceeds of refunding bonds or (b) the payment of the Bonds from any legally available funds.

If the City causes to be paid, or has made provisions to pay, on maturity or on redemption before maturity, to the owners of the Bonds the principal of such Bonds (including interest to become due thereon) and, premium, if any, on such Bonds, through setting aside trust funds or setting apart in a reserve fund or special trust account created pursuant to this Resolution or otherwise, or through the irrevocable segregation for that purpose in some sinking fund or other fund or trust account with an escrow agent or otherwise, moneys sufficient therefor, including, but not limited to, interest earned or to be earned on Federal Securities, the City shall so notify each rating agency then rating the Bonds, and then such Bonds shall be considered to have been discharged and satisfied, and the principal of such Bonds (including premium, if any, and interest thereon) shall no longer be deemed to be outstanding and unpaid; *provided, however*, that nothing in this Resolution requires the deposit of more than such Federal Securities as may be sufficient, taking into account both the principal amount of such Federal Securities and the interest to become due thereon, to implement any such defeasance.

If such a defeasance occurs and after the City receives an opinion of a nationally recognized verification agent that the segregated moneys or Federal Securities together with interest earnings thereon are sufficient to effect a defeasance with respect to such Bonds, the City shall execute and deliver all such instruments as may be necessary to effect such a defeasance and desirable to evidence such release, discharge and satisfaction. Provisions shall be made by the City, for the mailing of a notice to the owners of such Bonds that such moneys are so available for such payment.

Section 20. Any portion of the Bond Order remaining after the issuance of the Bonds will be deemed to be repealed and will no longer be considered authorized but unissued under the Bond Order.

Section 21. All acts and doings of any officer of the City that are in conformity with the purposes and intents of this Resolution and in the furtherance of the issuance of the Bonds and the execution, delivery and performance of the Bond Purchase Agreement are in all respects approved and confirmed.

Section 22. If any one or more of the agreements or provisions herein contained is held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or for any reason whatsoever is held invalid, then such covenants, agreements or provisions are null and void and separable from the remaining agreements and provisions and will in no way affect the validity of any of the other agreements and provisions hereof or of the Bonds authorized hereunder.

Section 23. All resolutions or parts thereof of the City Council in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 24. This Bond Resolution is effective on its adoption.
