

No Buffer will be provided in the Swim Buffer

10/4/2018 (EM)

SITE PLAN 3<sup>rd</sup> REVISION ~~9/23/2018~~

I. Development Data Table

- a. Site Acreage: 10.37
  - b. Tax Parcels included in rezoning: portions of parcels #108-081-07 and #108-081-23 are proposed to be rezoned.
  - c. Existing Zoning (including overlays and vesting): R-3 (see attachment A) (Deed of Trust-A)
  - d. Proposed Zoning (including overlays and vesting): INST-CD (see attachment K revised Survey).
- Note: Vesting is requested for two years.
- e. Number of Residential Units by Housing Type: none for the INST-CD (7.0A) , All weddings/receptions/events are outside or inside of Recreational Building.
  - f. Residential Density: n/a, use for wedding/receptions/event only, no subdivision and urban design at this time.
  - g. Square Footage of Non-Residential Uses for INST-CD is 300,762.8 square feet 4,300 SQ.FT. (EM)
  - h. Floor Area Ratio: Recreational building (2758 square feet) and Gazebo (1200 square feet) and trailer restrooms (199.2 square feet); maximum building square footage is 4,300 square feet.
  - i. Maximum Building Height : Recreational Building 30 feet and Gazebo 20 feet and trailer bathrooms 8.3 feet
  - j. Maximum Number of Buildings: 2 buildings plus separate restrooms
  - k. Number of Parking Spaces: 70
  - l. Amount of open space: 300,762.8 square feet (EM)

2. General Provisions

- a. Seeking INST-CD for outdoor garden weddings, receptions and events located in east Charlotte off of Hood Road, call: 704-536-4559, pricing available upon request, also a conference center. (EM)

3. Optional Provisions

- a. None

4. Permitted uses

- a. Event facility including weddings and receptions, all amplified outdoor music on the site must end by 10:30 p.m. on weekdays and 11:00 p.m. on weekends. With the exception of one event per calendar year, the maximum number of guests are attendees at a single event held on the grounds shall be 325 excluding staff.

5. Transportation

- a. Dedication and reservation of street right-of-way to City/NCDOT: clearly marked by NCDOT: see survey: Two 35' by 35' sight triangles and Two 10' by 70" sight triangles on NC Dept. of Transportation on NCDOT street will be placed at the entrance to meet the requirements (see survey). All proposed

trees, berms, walls, fences and/or identification signs will not interfere with sight distance at the entrance. Such items will be identified on the site plan: see survey.

b. Transportation Improvements constructed in conjunction with development: Traffic Study reports is not necessary for the complete review of this petition, and dedication and fee simple conveyance of all rights of way to the City will be made before the site's first building certificate of occupancy is issued by the CDOT request right of way set at 2' behind back of sidewalk where feasible. I also will dedicate and fee simple conveyance of 40' of Right-of-Way from centerline of Hood Road to CDOT.

#### 6. Architectural Standards

a. Building Materials: wood (see [attachment C](#))

b. Building Scale: maximum building square footage as 4,300 square feet. (see [attachment C](#))

c. Treatment of urban design and architectural elements: Wood structure surrounded by Natural woodlands

d. Fence/wall: A fence, wall, or berm may be installed to reduce the buffer width by 25% as allowed per Section 12.302(8) of the zoning ordinance.

#### 7. Streetscape and Landscaping

a. Streetscape: Mulched areas for walking and gravel

b. Special landscape: ~~Palm trees, Crepe Myrtles, Holly, Azaleas, Knockout roses, Oak trees, Leyland Cypress, Dogwoods used for buffers and screening~~ (EM) (see [attachment D](#))

#### 8. Environmental Features

a. Tree save areas: (Environmental features) along gravel road, Oaks, Crepe Myrtles, palms ([attachment D](#) ; TREE SURVEYS [attachment E](#))

b. PCCO treatment: The petitioner shall comply with the Charlotte City Council approved and adopted Post Construction Stormwater Ordinance.

c. Environmental provisions per Environmental General Development Policies: natural wood lands

#### 9. Parks, Greenways, and Open Space

a. Reservation/Dedication of park and/or greenway: 100-foot SWIM Buffer will be dedicated and conveyed to Mecklenburg County for future greenway use prior to issuance of the first certificate of occupancy for a simple fee. (EM)

b. ~~Park and/or greenway improvements: No, comes into my pond, no not at this time.~~ (EM)

c. ~~Connections to park and/or greenway: No not at this time.~~ (EM)

d. ~~Privately constructed open space: Terrace adjacent to pond~~ (EM)

#### 10. Fire Protection

a. Extra wide fire lane along the easement throughout the property – see survey for details

- b. Five egresses in reception hall
- c. Five fire extinguishers in reception hall
- d. Three fire alarms in reception hall

11. Signage

- a. Sign Limitations and size: **as permitted per the ordinance**
