Charlotte Bond Referenda Nov. 6

\$118 million for streets: Fund street and intersection projects, continued development of the Cross Charlotte Trail, upgrades to traffic control system, measures to improve pedestrian safety, and repairs and construction of bridges, sidewalks and bikeways.

\$50 million for housing: Increase the supply of quality and well-maintained affordable housing for low- and moderate-income households through new construction and preserving existing housing.

\$55 million for neighborhoods: Improve infrastructure such as sidewalks, greenways, bike lanes, streetscape, curbs and gutters, storm drains, landscaping and pedestrian lighting in the city's established neighborhoods and emerging high-growth areas.
