

REQUEST

Current Zoning: B-1 (neighborhood business)
Proposed Zoning: B-2(CD) (general business, conditional)

LOCATION

Approximately 0.88 acres located on the south side of Woodlawn Road, east of Park Road
(Council District 6 - Bokhari)

SUMMARY OF PETITION

The petition proposes to demolish the existing EDEE (eating/drinking/entertainment establishment) and construct a new EDEE drive-in. (Note: The Zoning Ordinance defines an "EDEE drive-in" as an EDEE with a drive-in service window having indoor seating accommodations for fewer than 50 patrons.)

**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is consistent with the *Park Woodlawn Area Plan* recommendation for a mix of retail/office uses for the area in which the site is located, and consistent with the plan's emphasis on improving the pedestrian experience.

Rationale for Recommendation

- The proposal allows a replacement building for a long-term EDEE tenant on the perimeter of the Park Towne Village shopping center.

- The proposal will help reduce serious traffic congestion problems in the immediate area as the drive-through queue to the popular existing establishment frequently extends out into the public street.
- The proposal will provide a measure of improved pedestrian experience by managing drive-through customers in a more organized way with greater on-site capacity.
- The proposal eliminates indoor dining and provides an outdoor dining patio with an architectural presence at the front of the building supporting pedestrian activity.
- The site plan provides pedestrian improvements through the installation of a wide planting strip and sidewalk along Woodlawn Road. Additionally, the proposal provides a hardscape plan and commits to pedestrian amenities and access between the public sidewalk and the outdoor dining patio.

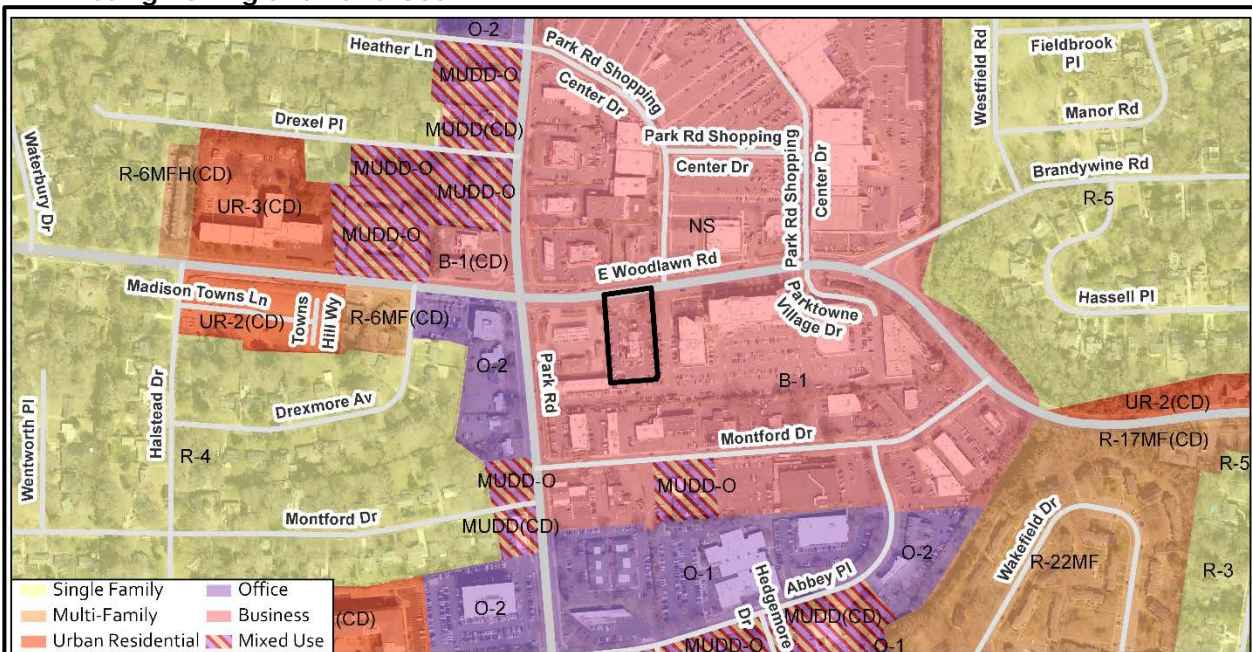

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Allows for the demolition of the existing 3,176-square foot building and the construction of a 2,4003,000-square foot building in approximately the same location on the site. The site plan shows the expansion of the single drive-through lane to a dual lane at the point of order, tapering to a single lane at pick-up. The layout around the perimeter of the site will remain largely unchanged.
- Allows outdoor dining patio not to exceed 1,100 square feet.
- Allows only a Type 1 or 2 EDEE use with drive-in windows, outdoor dining and carry-out, pick-up windows with no indoor seating.
- Provides a 13-foot wide planting strip and eight-foot sidewalk along Woodlawn Road.
- Commits to hardscaping to include seat walls and benches behind the sidewalk with pedestrian access from the sidewalk to the outdoor dining area.
- Specifies the outdoor dining area will be constructed as generally depicted in the conceptual rendering.
- Specifies that vehicular access from Woodlawn Road will be limited to a right-in, right-out movement.

• Existing Zoning and Land Use

- The subject property is developed with a Type 1 EDEE with an accessory drive through facility.

The subject property is developed with a Chick-fil-A restaurant.

Park Road Shopping Center is located to the north at the corner of East Woodlawn Road and Park Road. Park Towne Village Shopping Center and Montford Avenue are to the east and south. The star indicates the subject property.

Park Towne Shopping Center is located to the east of the site along East Woodlawn Road.

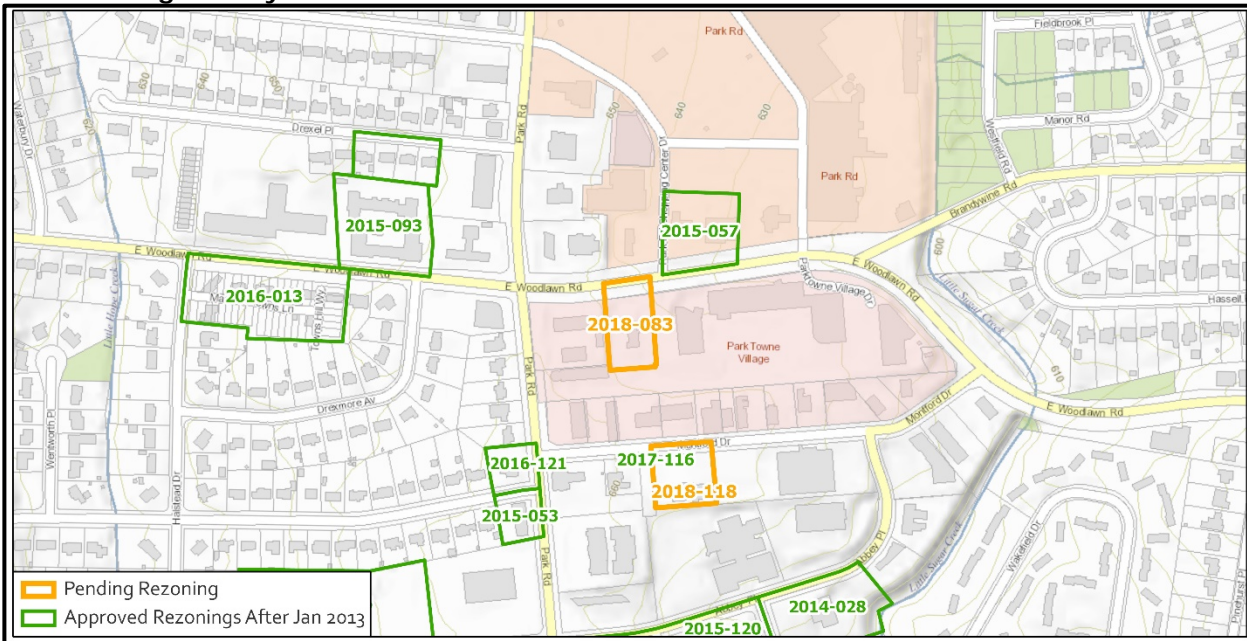

A 7-Eleven is located to the west of the site along East Woodlawn Road and Park Road.

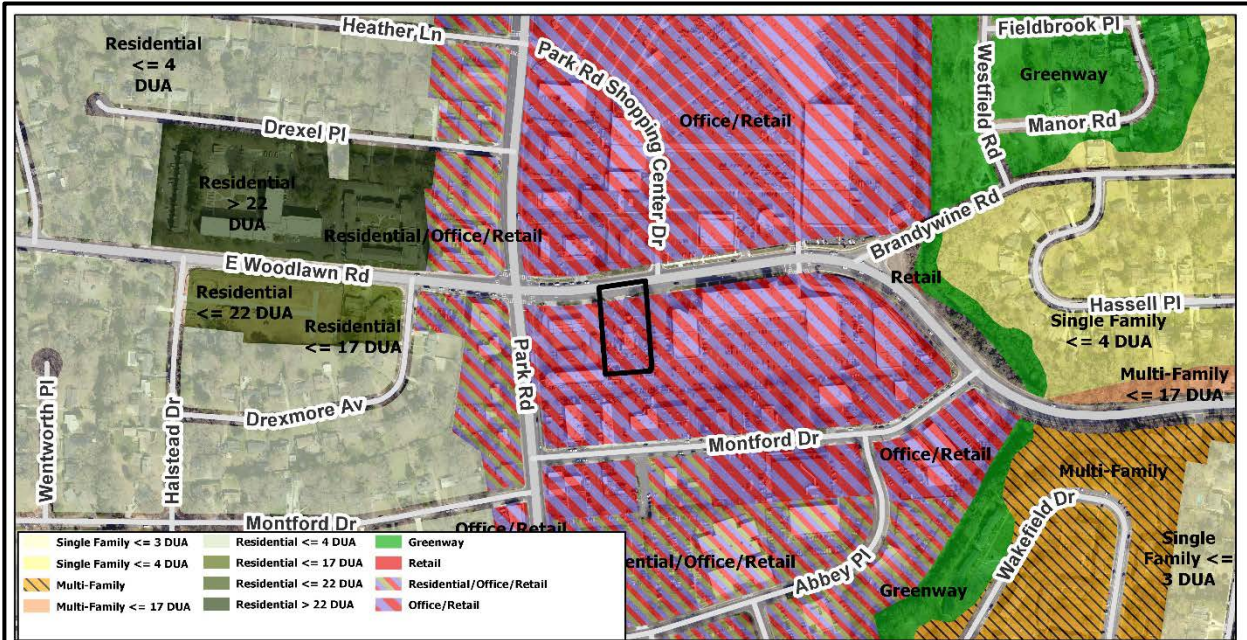

A mixture of restaurants, retail, and office are located to the south along Montford Drive.
