**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Southwest District Plan* office/industrial land uses recommended for this site.

Rationale for Recommendation

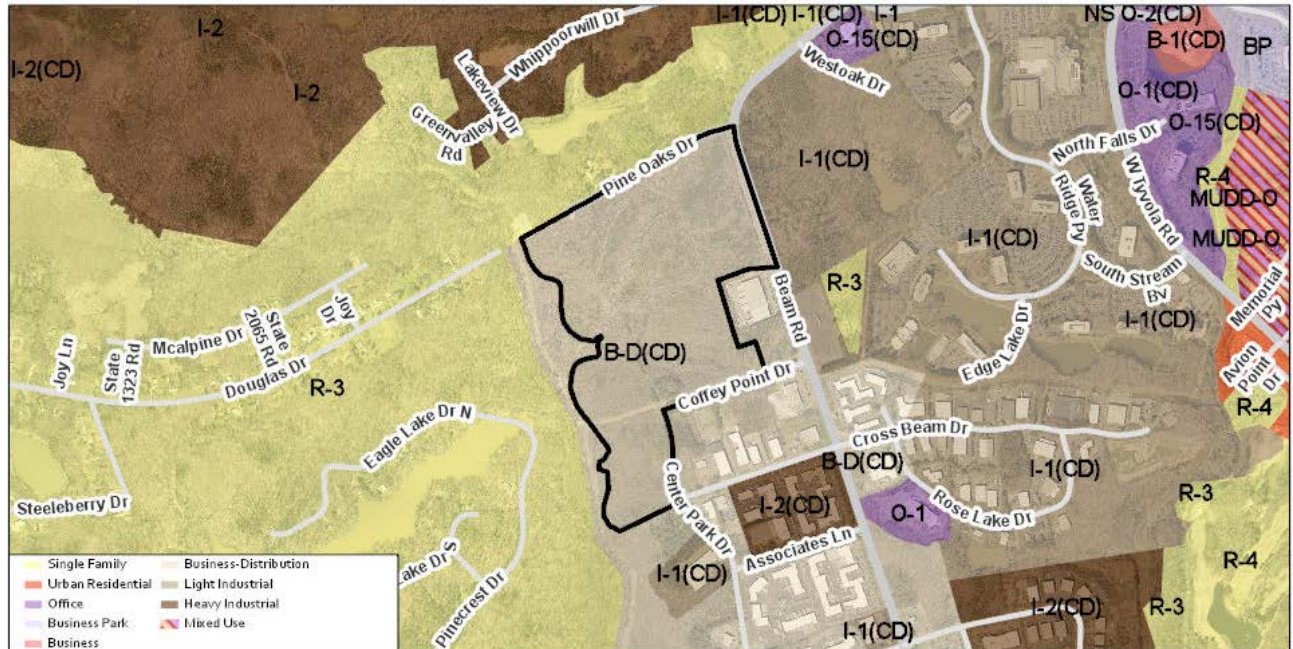

- The adopted land use supports industrial uses at this location, which is within an industrial activity center just south of Charlotte-Douglas International Airport.
- The site is an undeveloped element of a business park, already zoned for some industrial type uses, and surrounded by similar light industrial development.
- The site is separated from nearby single family residential by a creek on county-owned land intended for a future greenway, which will provide an appropriate separation.

PLANNING STAFF REVIEW

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan, which applies all the standards, regulations, and uses in the I-1 zoning district.

- The *Southwest District Plan* (1991) recommends office and industrial uses for this site and surrounding area.
- The site is located within the Shopton Road Industrial Activity Center, per the *Centers, Corridors and Wedges Growth Framework*.
- **TRANSPORTATION CONSIDERATIONS**
 - The site is at the intersection of two minor thoroughfares that currently lack curb, gutter, and sidewalk. CDOT will work with the petitioner during permitting to determine the location of public streets to serve the proposed development. CDOT will also coordinate with the petitioner to implement curb, gutter, planting strip, and sidewalk on Beam Road, Pine Oaks Drive and as well as any required new streets that serve the development.
 - No outstanding issues.
 - **Vehicle Trip Generation:**
 - Current Zoning:
 - Existing Use: 0 trips per day (based on vacant land).
 - Entitlement: 3,460 trips per day (based on 678,500 SF warehouse and 226,220 SF office).
 - Proposed Zoning: 1,480 trips per day (based on 904,700 SF warehouse).
