**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Eastland Area Plan (2003)* recommendation for Single Family/Multi-Family/Office/Retail for this site. The *General Development Policies* guidelines support up to 17 DUA for the site.

Rationale for Recommendation

- The site is currently developed with multi-family residential.
- The site is adjacent to other multi-family residential use in R-17MF zoning districts.
- The density increase from 12 DUA in O-1 to 17 DUA in R-17MF is consistent with other multi-family developments in the broader area zoned R-17MF. In addition multi-family up to 22 dwelling units per acre would be allowed in the surrounding B-2 zoned areas.
- The proposed zoning would allow up to 17 units per acre, as supported by the *General Development Policies*.

- The site is located in an area with a mix of uses appropriate for moderate density multi-family use.

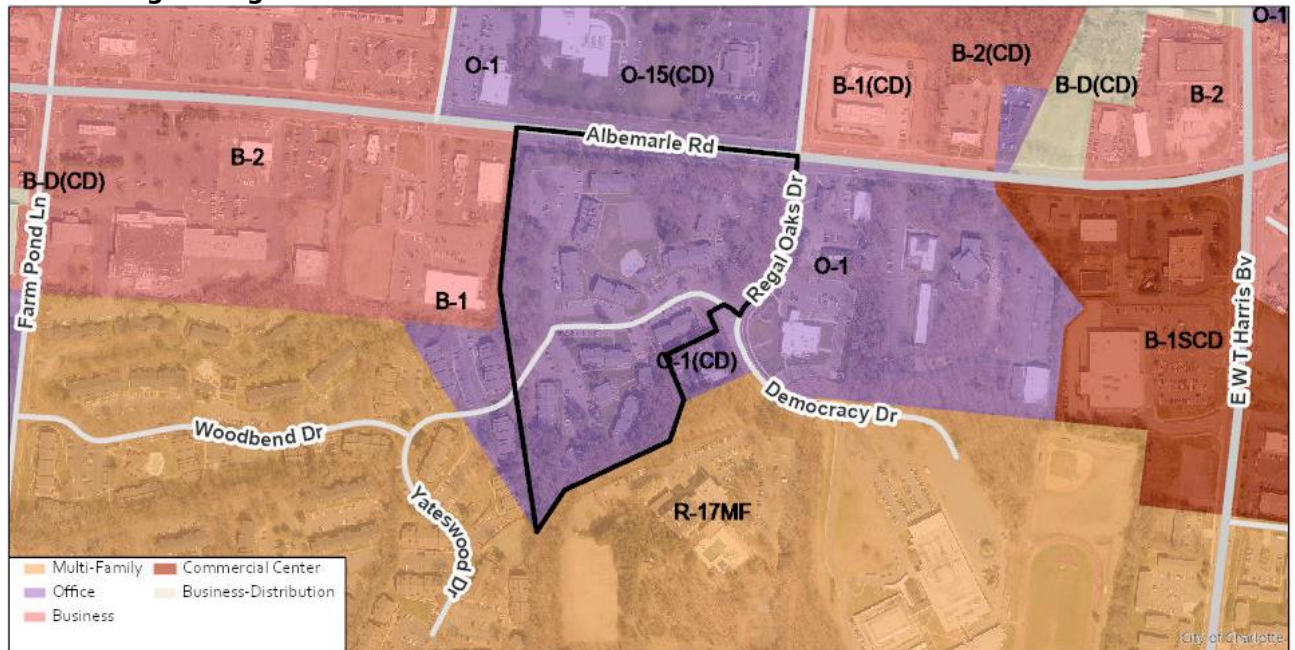

PLANNING STAFF REVIEW

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan.

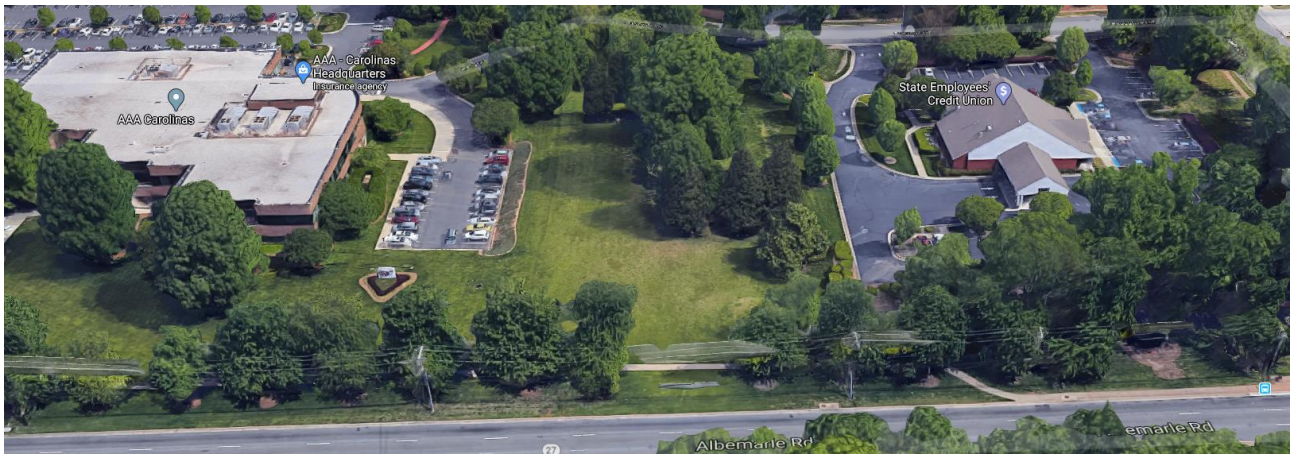

- Allows all uses permitted in the R-17MF zoning district, which is a multi-family residential zoning district.

- **Existing Zoning and Land Use**

The area is developed with a mix of uses including commercial, office, institutional and multi-family residential. The site, indicated by the red star, is adjacent to other multi-family development in R-17MF zoning to the southwest.

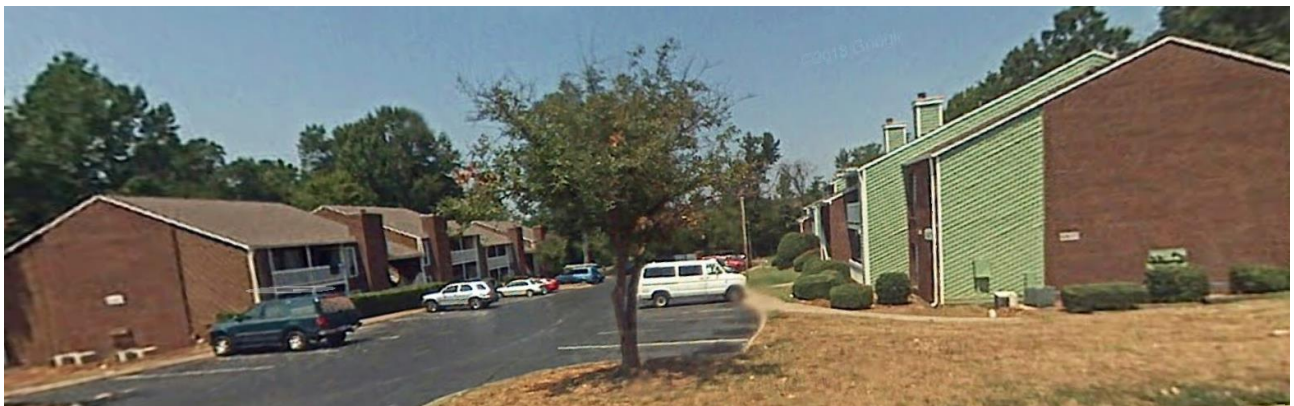

North of the site, across Albemarle Road is an office and financial institutional use.

East of the site, across Royal Oaks Drive are medical office uses.

South of the site is Simmons YMCA.

Also south of the site along Yateswood and Bentwood Drives is multi-family use.

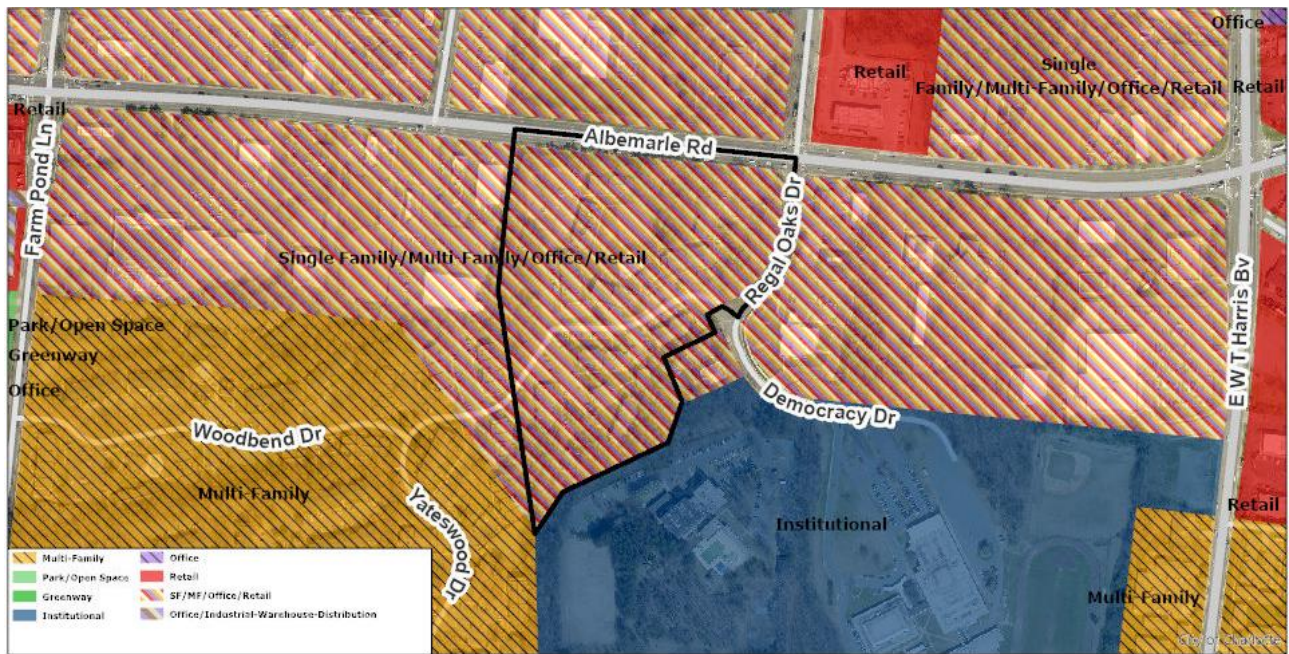

West of the site along Albemarle Road are commercial uses.

- **TRANSPORTATION SUMMARY**

- The petition is located on the southwest corner of the intersection of Albemarle Rd. (a commercial thoroughfare) and Regal Oaks Dr. (a collector street). Yateswood Dr. bisects the site. Albemarle Rd. is maintained by NCDOT, Regal Oaks Dr. is maintained by the City of Charlotte, and Yateswood Dr. is currently a private street, but would be a collector street if it were public. The petition is located in a designated Wedge outside Route 4. Regal Oaks Dr. connects to Democracy Dr., which currently dead-ends into Albemarle Road Middle School but is set up to be extended to Harris Boulevard. The site is located on a commercial thoroughfare and two collector streets. Albemarle Road and Regal Oaks has sidewalk at the back of curb. CDOT will work with the petitioner during the permitting to meet the required ordinance for multi-family land use by the Subdivision ordinance.
