STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *South District Plan* recommendation for Institutional land uses on this site.

Rationale for Recommendation

- The plan proposal is for the same use as the recently approved rezoning petition.
- The proposal is for a minor increase in the allowed square footage.
- The site plan amendment does not make any changes to the previously approved building heights, setbacks, or buffers.
- The amendment adjusts the transportation improvements to mitigate the increase in square footage.

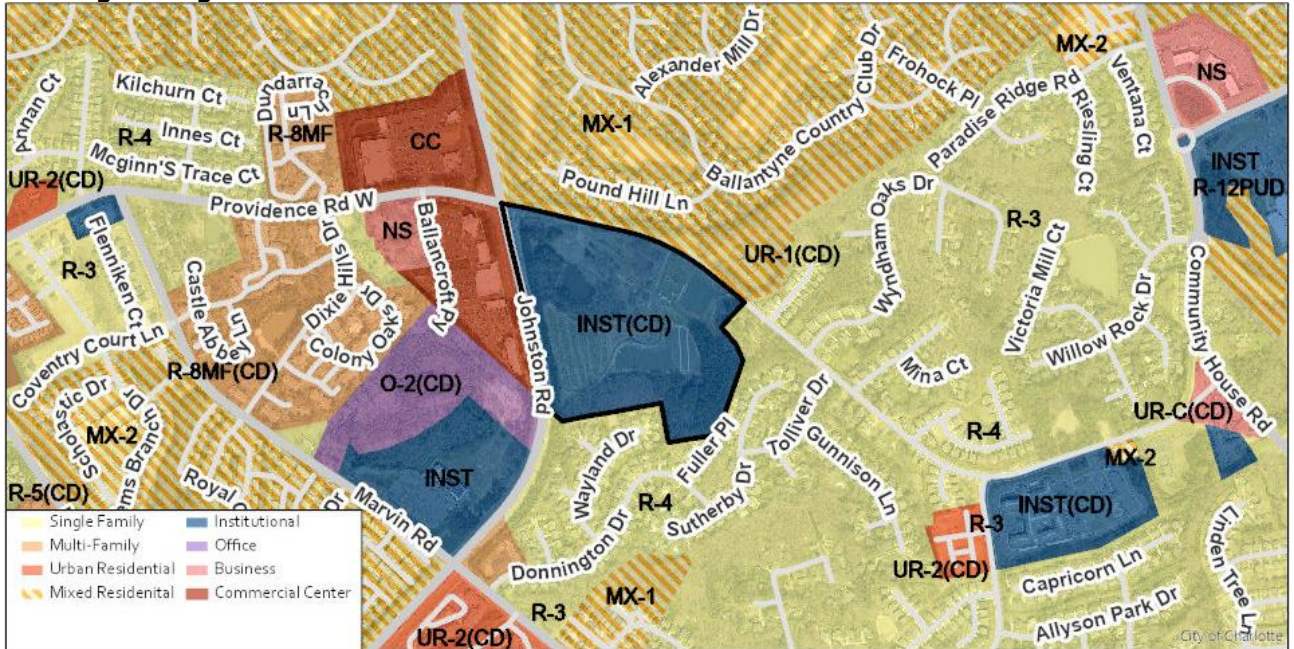

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan amendment contains the following changes:

- Increases the allowed square footage from 223,000 square feet to 262,000 square feet, a difference of 39,000 square feet.
- Added two transportation improvements at the intersection of Johnston Road and Providence Road West and the site's right in/out access driveway. The improvements include an additional southbound left turn lane on Johnston Road and an eastbound receiving lane that drops as a turn lane at the site's right in/right out driveway along Providence Road West.
- Amended the stormwater note at staff's request to provide additional clarity.
- Amends streetscape note for Providence Road West to say the petitioner may either provide a 5' bike lane, 6' sidewalk and 8' planting strip or a 8' planting strip and 12' multi-use path
- No other changes were made to the plan.

• Existing Zoning and Land Use

The site was rezoned to INST(CD) to allow a hospital and medical uses under petition 2019-035 that was approved in January 2020.

There is a mix of uses in the area. There are single family residential uses to the north, south and east of the site along Providence Road West. West of the site across and along Johnston Road are religious institution, hospitality, retail, and EDEE (eating/drinking/entertainment establishments). Further west along Providence Road West are multi-family and single family attached residential uses.

The site is currently used as a farm.

South and east of the site are single family homes.

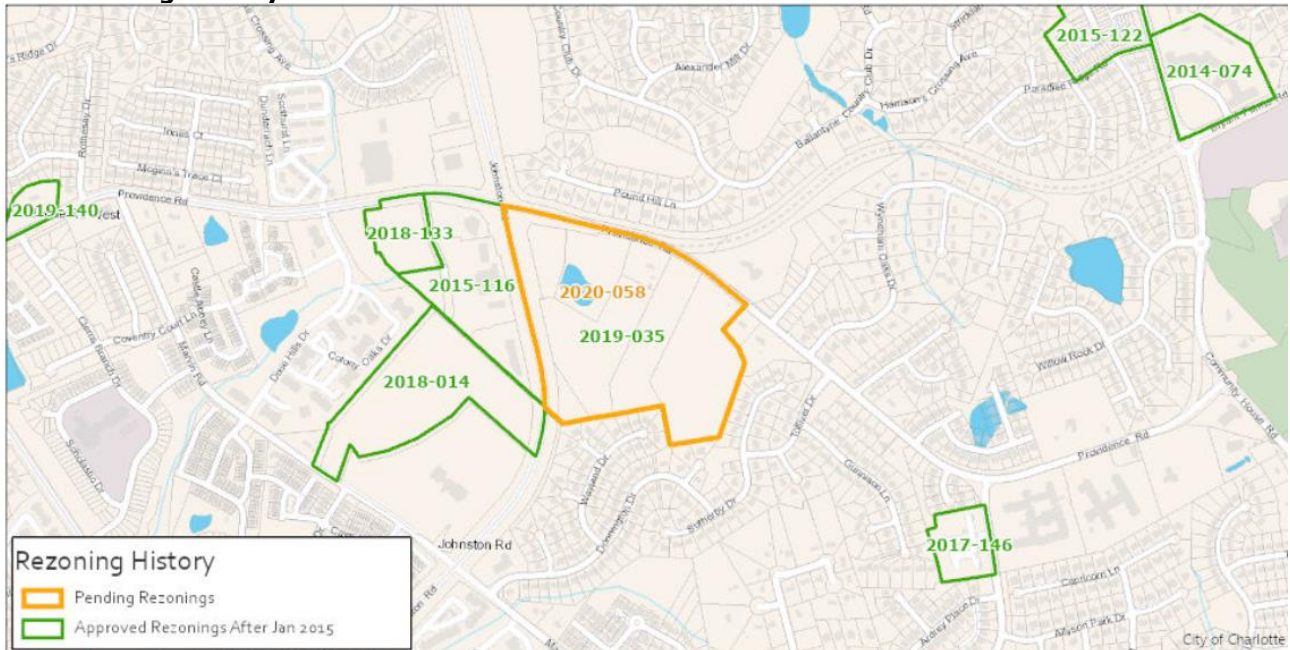

North of the site across Providence Road West are single family homes fronting Pound Hill Lane.

OUTSTANDING ISSUESTransportation

1. ~~Per the City of Charlotte's Chapter 20 Subdivision Ordinance, the portion of Providence Road West designated as collector should follow the CLDSM Collector Cross Section (U-07) by placing the back of curb 17.5' from the road centerline. The curb and gutter location based on U-07 is a minimum, as there are other associated roadway improvements on Providence Road West that may require a wider section based on the approved traffic impact study. Add a note to the site plan stating the petitioner will provide curb and gutter a minimum 17.5 feet from the center line along Providence Road West in addition to the right-of-way dedication.~~ **Rescinded**
2. ~~Revise the site plan and conditional note(s) to replace the proposed 5' bike lane, 8' planting strip and 6' sidewalk with 8' planting strip and 12' multi-use path on Providence Rd West to meet the City Charlotte BIKE Policy.~~ **Addressed, as agreed upon with CDOT, the petitioner added a note that the petitioner may either provide a 5' bike lane, 6' sidewalk and 8' planting strip or a 8' planting strip and 12' multi-use path.**
