

[illegible]

The map displays the project area in Charlotte, North Carolina, centered around the Charlotte Douglas International Airport. Key features include:

- Proposed Alternative Sanitary Sewer Pipe:** Indicated by a red dashed line running vertically through the center of the map, near the airport.
- Taggart Creek Gravity Sewer Flow Diversion Structure Area:** Indicated by a black dashed line and a black circle in the upper right quadrant, near the intersection of Wilkinson Blvd and Tuckasee Rd.
- Paw Creek Pump Station and Force Main Improvements:** Indicated by a black dashed line and a black circle in the upper left quadrant, near the intersection of Wilkinson Blvd and Tuckasee Rd.
- Geographic Landmarks:** Charlotte Douglas International Airport, Carolinas Aviation Museum, Walmart Supercenter, Carolina Golf Club, Billy Graham Library, and Exit Strategy.
- Highways:** I-485, I-85, I-77, and various local roads like Wilkinson Blvd, Tuckasee Rd, and Airport Blvd.

Project area is located within City Council Districts 2 and 3
