Proposed Zoning: I-2 LLWPA (general industrial, Lower Lake Wylie Protected Area)

## LOCATION

Approximately 19.5 acres located to the north and south of Old Dowd Road, just west of Interstate 485.

## SUMMARY OF PETITION

The petition proposes to allow all uses in the I-2 zoning district.

Stuart Hair, Charlotte Douglas International Airport

## AGENT/REPRESENTATIVE

## COMMUNITY MEETING

## STAFF RECOMMENDATION

Staff recommends approval of this petition.

### Plan Consistency

The petition is **inconsistent** with the Dixie Berryhill Strategic Plan's (2003) recommendation for a mix of office, retail, light industrial uses on the site.

### Rationale for Recommendation

- The site is adjacent to property zoned I-2(CD) to the west and I-1 to the east on the other side of Interstate 485.
- While there is property zoned R-3 and R-MH to the north and south of the site, there is no current residential use on those properties. The future land use plan calls for a mix of office, retail, and light industrial on the adjacent parcels with residential zoning.

- The rezoning would support the growth of the airport, one of the largest economic engines of the city and region.

The approval of this petition will revise the adopted future land use as specified by the *Dixie Berryhill Strategic Plan*, from office, retail, light industrial uses to industrial use for the site.

### PLANNING STAFF REVIEW

- **Background**

- The City's Aviation Department requests this rezoning to accommodate property transaction required to complete the North End Around Taxiway Project.

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan.

- The proposal would allow all uses in the I-2 zoning district.

- **Existing Zoning and Land Use**

The site is currently vacant and is surrounded mostly by vacant land, some of which is zoned industrial and some zoned residential.

The site, denoted by stars and located on both the north and south sides of Old Dowd Rd, is vacant land.

The properties to the north are railroad right-of-way and vacant land.

The properties to the east of the site are developed with Interstate 485 and Charlotte Douglas International Airport. The site is denoted by a red star.

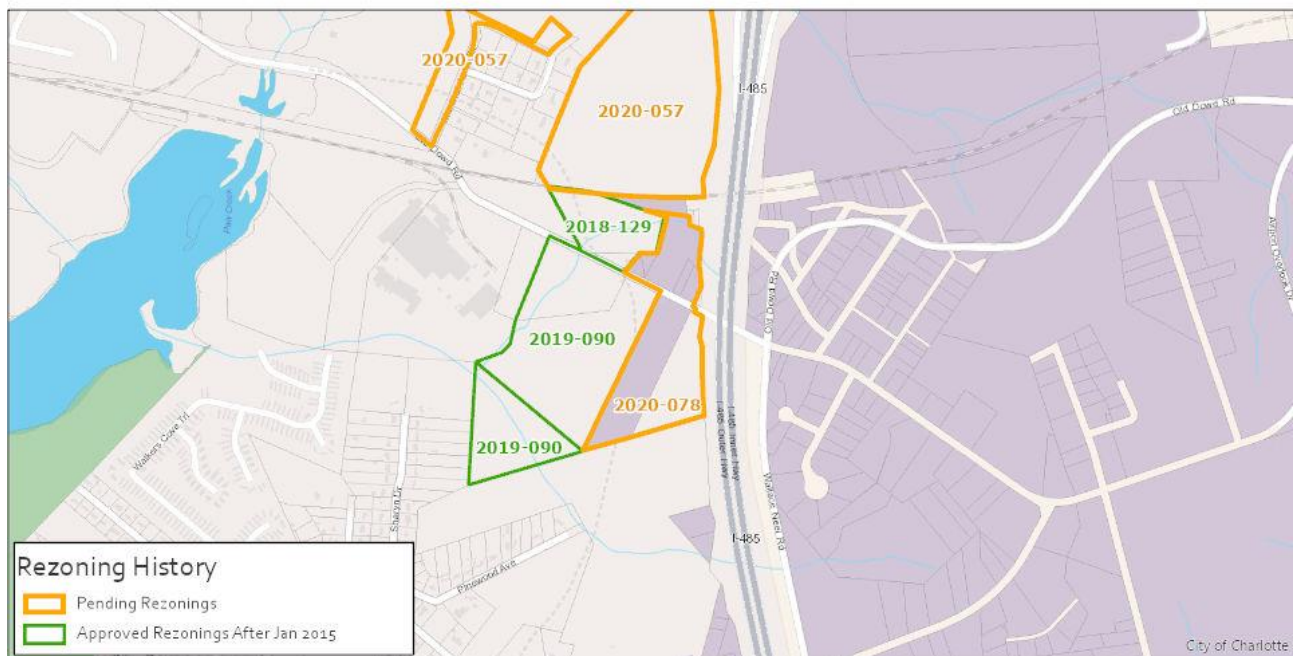

The property to the south of the site is vacant. There are some single family residences in the vicinity of the site, which is denoted by a red star.

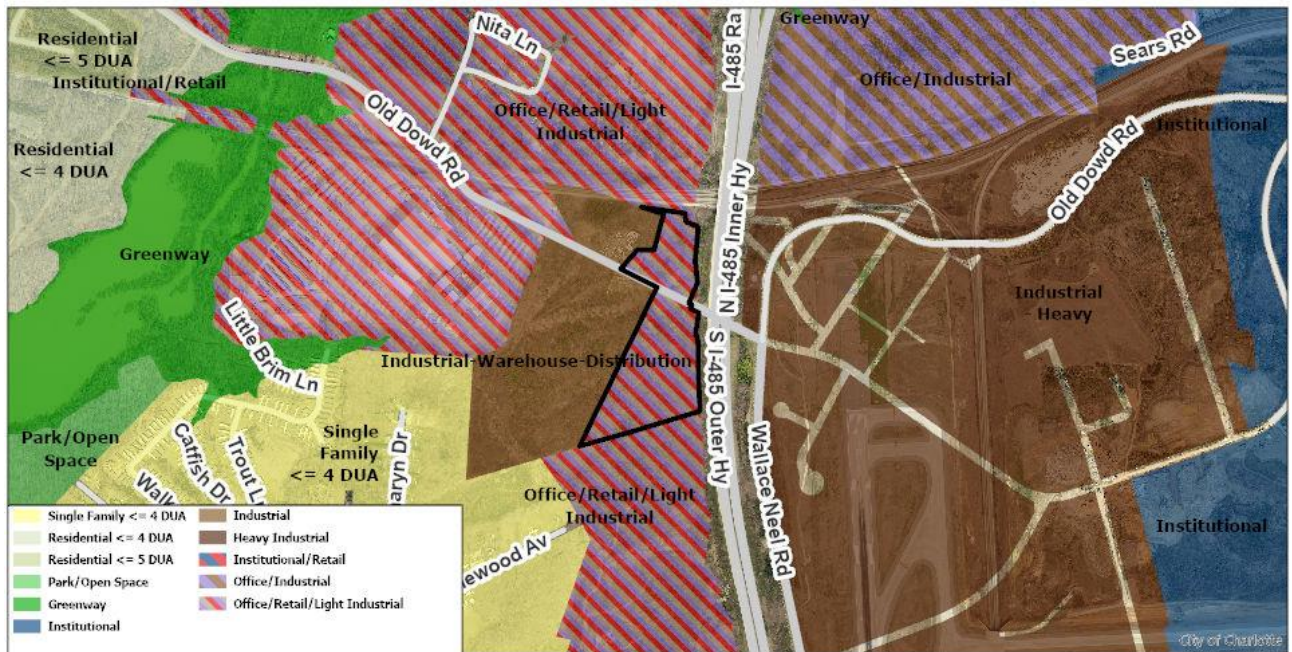

The property to the west is vacant land.
