

**REQUEST**

Current Zoning: TOD-M(O) & I-2 (transit oriented development, mixed, optional; heavy industrial)  
Proposed Zoning: TOD-UC (transit-oriented development, urban center)

**LOCATION**

Approximately 4.005 non-contiguous acres between three parcels, both located in the Optimist Park community in the vicinity of Optimist Hall. See map below.

**SUMMARY OF PETITION**

The petition proposes to rezone three jointly owned parcels from heavy industrial and transit-supportive districts to a conventional, transit-supportive zoning district that would permit the site to be developed with any singular use or mixture of transit-supported uses permitted either by-right or under prescribed conditions.

**RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Parkwood Station Area Plan's* (2016) recommendation for transit-oriented uses but **inconsistent** with recommended office/retail/industrial-warehouse-distribution uses for one of the three parcels.

Rationale for Recommendation

- This petition's request for transit-oriented development zoning achieves the Plan's land use policy of promoting a mix of transit-supportive land uses through new development and redevelopment.

- The request is consistent with adjacent zoning and land uses around the southwestern portion of the intersection of Parkwood Avenue and E. 16<sup>th</sup> Street.
- The TOD-UC district may be used in any transit station area or near a streetcar stop where high intensity transit-oriented development is appropriate.
- The TOD-UC district is not appropriate for sites adjacent to single-family zoning districts or uses. These parcels are not adjacent to any single family uses.
- The area plan recommends employment-based land uses, such as industrial, office and retail uses on the parcels north of North Brevard Street and adjacent to the rail yard between East 13th and East 24th streets. A proposed TOD-UC district would likely generate office and retail uses on the parcel that falls within this area.

The approval of this petition will revise the adopted future land use for one parcel as specified by the *Parkwood Transit Station Area Plan* office/retail/industrial-warehouse-distribution to TOD for the site.

### PLANNING STAFF REVIEW

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan.

- **Existing Zoning and Land Use**

The majority of Area 2, outlined in the map below, was part of the Optimist Hall rezoning (2016-029) while a small portion of the parcel was rezoned to TOD-M(O) with petition 2016-130. A portion of Area 1 closest to the intersection of E. 16<sup>th</sup> Street and Parkwood Avenue was also included in 2016-130. Above the Blue Line are mostly industrially zoned with uses complimentary or supporting the rail yard to the northeast of this petition. Below the Blue Line is a more diverse mixture of uses including transit supportive uses around Optimist Hall, single family residential, and multi-family.

General location of site(s) illustrated above.

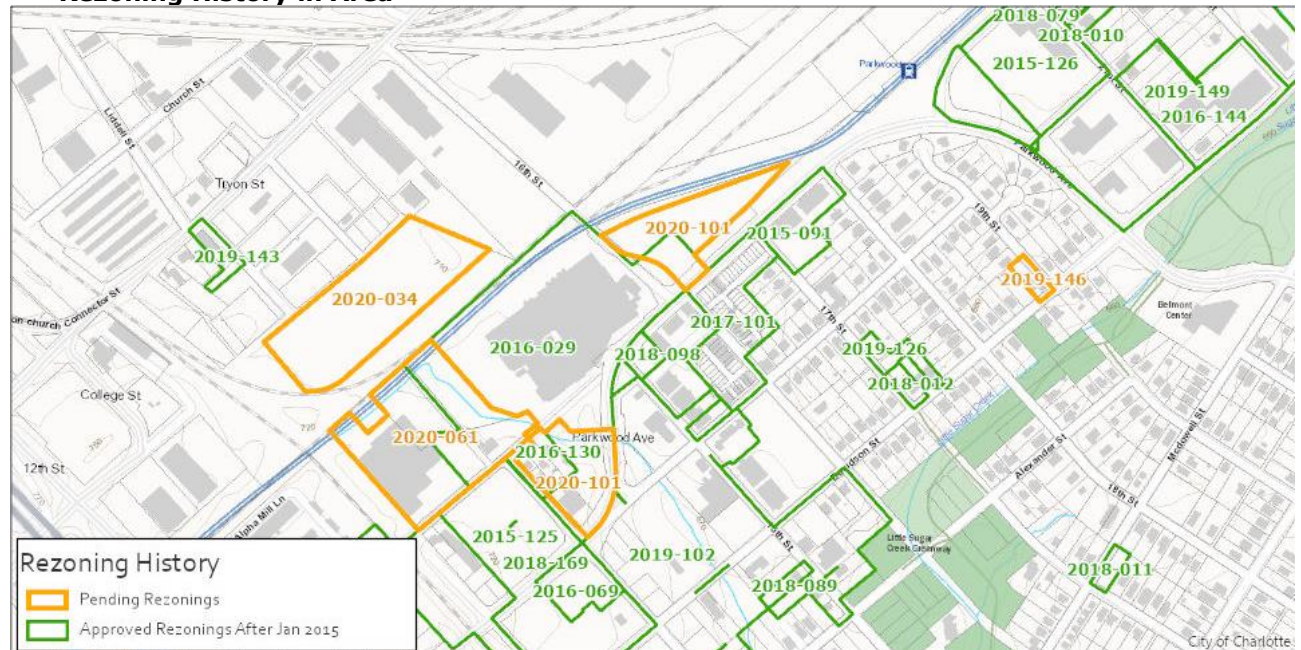

Area 1 as seen from E. 16<sup>th</sup> Street looking north toward the Parkwood Station. This area is currently operating as a surface parking lot for Optimist Hall.

Area 2 as seen from N. Brevard Street looking east. This photo does not reflect existing conditions, as the site is currently operating as surface parking for Optimist Hall.
