PROPOSED 2021 FEDERAL LEGISLATIVE AGENDA
NOVEMBER 9, 2020

Transportation & Infrastructure

- **Transit:** Continue working with the Congress and the Administration to secure federal resources for the build-out of the 2030 Transit Corridor System Plan
- **Airports, Highways and Passenger/Freight Rail:** Support increased federal funding for infrastructure that serves to connect the region with other regions and rural areas, including funding for critical aviation infrastructure and connecting highways and rail lines
- **Modernized and Sustainable Infrastructure:** Support increased federal funding for research and infrastructure that accelerates our transformation to a sustainable economy and supports the reduction of greenhouse gas emissions, including: walking and biking infrastructure, electric vehicles and electric vehicle charging stations, alternative fuel vehicle refueling stations, energy efficient buildings, and renewable energy and renewable energy infrastructure. Support equitable workforce development opportunities in the clean energy sector.
- **Digital Divide:** Support increased federal resources to promote competition for broadband internet infrastructure to unserved and underserved rural, suburban, and urban communities, prioritizing communities in persistent poverty

Comprehensive Immigration Reform

- **H-1B Visas:** Support the continuation of the program and make changes that streamline processing times and allow spouses of Visa holders to work and volunteer
- **Asylum Seekers:** Support a path to residency and citizenship for asylum seekers
- **Temporary Protected Status:** Support a path to citizenship for those in Temporary Protected Status
- **Deferred Action for Childhood Arrivals:** Support continuation of the program and path to citizenship

COVID-19 Guidelines for Airports

- Work with the Federal Aviation Administration and commercial service airports to develop standards for all airports in addressing COVID-19
