Best Cities for Music Fans in 2016

updated August 13, 2019 • by justin Song

by Douglas Burger

When it comes to seeing a favorite band in concert, people will go to extreme lengths: wait hours in line, hit redial over and over, refresh the ticket page repeatedly – whatever it takes. Music is an important part of many people's lives, and we set out to determine the best cities in the U.S. for music fans. We looked at 15 different data points grouped into three categories to come up with our answers. Below you will find our results, as well as a detailed methodology explaining how we arrived at them.

Best Cities for Music Fans

Here is how 200 metropolitan statistical areas with qualifying data stacked up in the three separate categories that we studied. In all rankings below, a lower number is better than a higher number.

10 Surprisingly Great Cities for Art Lovers in America

We took cities with populations more than 100,000 according to the U.S. Census Bureau and used 8 million commercially available business listings to add up the art-related businesses in each city in the following categories – art galleries, museums, fine arts, art organizations and schools, art centers and art supplies. We then divided each city's population by this total to determine a ratio of the number of businesses for each resident.

IV. Discussion Questions

Do we all agree there needs to be a new strategy for arts and culture?

□ If so, who are the stakeholders?

□ What process and timeline can we agree on?
