**WARNING!**

As human centric professionals you help individuals  
ALL DAY LONG.

You focus on **WHAT** you do for others.

You **make magic happen** within the Charlotte  
community.

People only know what you tell  
them.

What is your WHY?

Let's hear it.

1. What is your definition of success?
2. Why do you choose to serve the community?
3. How would a community member describe you?
4. What is the legacy you want to leave in this world?

# Head Trash & Big Ideas

- Head trash dictate your mindset.
- Conspiracy theories & fear create limiting beliefs.
- Are there stories you have built in your head about people, places, things, and ideas?
- Your perceptions create your reality.
