Re: Comments from State Historic Preservation Office on Designation Report for William H. Peeps House, Charlotte

By email dated March 26, 2021, SHPO staff provided feedback based on their review of the Designation Report for the William H. Peeps House. In summary, the issues raised included the following:

- Greater specificity as to the interior features of the house to be included within the designation;
- Typographical errors; and
- Inclusion of the tax appraised value within the report.

Following review of the Designation Report and the SHPO feedback, the HLC staff revised and updated the Designation Report to address the issues raised.
