Re: Comments from the State Historic Preservation Office on the Designation Report for Stafford-Holcombe Farm, Charlotte

By email dated July 1, 2021, SHPO staff provided feedback based on their review of the Designation Report for the Stafford-Holcombe Farm. In summary, the SHPO staff considered the review thorough and complete, successfully providing a persuasive case for the historic and architectural significance of the Stafford-Holcombe Farm and the property's worthiness for local landmark designation.

Following review of the Designation Report and the SHPO feedback, the HLC staff decided that no revisions or updates to the Designation Report were needed.
