**Explanation**

- The North Carolina Department of Transportation (NCDOT) is constructing improvements along Pineville-Matthews Road (NC 51) between Park Road and Carmel Road (adjacent to Council Districts 6 and 7) to improve vehicular traffic flow and pedestrian safety along the corridor.
- Improvements include the construction of a center median, pedestrian crossings, sidewalks, and traffic signals.
- The city is entering into a Municipal Agreement with the NCDOT to fund sidewalks and acquisition of the necessary right-of-way and easements.
- The project also extends into the Town of Pineville, and NCDOT is entering into a separate agreement with Pineville.
- The NCDOT’s estimated total cost of these upgrades is \$7,555,000.
- The city will contribute \$912,000 towards these improvements.
- The format and cost-sharing philosophy is consistent with past Municipal Agreements.
