Committee Chair:

Staff Resource(s):
Liz Babson, Transportation
Scott Curry, Transportation

Time: 15 minutes

Explanation

- The purpose of the presentation is to present proposed amendments to the sidewalk construction standards in Chapter 19 of the City Code.
- The amendments are a direct result of the Charlotte WALKS Pedestrian Plan. The plan, unanimously adopted by City Council on February 27, 2017, identifies back-of-curb sidewalks and sidewalk gaps as major problems.
- As part of the adoption of Charlotte WALKS, CDOT staff committed to bring forward code amendments by the end of the year to address those high priority issues.
- A public hearing on the proposed amendments is scheduled to occur at the Council Business Meeting immediately following the Dinner Briefing.

Future Action

- The item will be presented for full Council consideration at the November 27 Council Business Meeting.
