Explanation

- The City has received a petition for voluntary annexation of private property.
- Public hearings are required prior to City Council action on annexation requests.
- This property is located within Charlotte’s extraterritorial jurisdiction.
- The area proposed for annexation shares a boundary with current city limits.
- Annexation of this area will allow for more orderly development review, extension of City services, capital investments, and future annexation processes.
- The 56.022-acre “Sunset Creek” site is located along the along the south side of Sunset Road, east of Oakdale Road in northern Mecklenburg County.
 - The property is mostly vacant with some single-family residential uses.
 - The petitioner has future plans to develop 131 single-family homes and 150 multi-family units in addition to one existing single-family home that will remain on the site.
 - The majority of the property is zoned MX-2, which allows for residential mixed-use development and a small section of the parcel is zoned R-3, single family residential.
 - The property is located immediately adjacent to City Council District 2.
 - The petitioned area consists of one parcel: parcel identification number 037-043-01.

- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003; more specifically this annexation:

 - Is consistent with the policy to not have undue negative impact on City finances or services;
 - Is consistent with the policy to not create unincorporated areas that will be encompassed by new city limits.
