Consistency with City Council Policies

- These annexations are generally consistent with City voluntary annexation policies approved by the City Council on March 24, 2003; more specifically they:
 - Will not adversely affect the City's ability to undertake future annexations;

- Will not have undue negative impact on City finances or services; and
- Will not result in a situation where unincorporated areas will be encompassed by new City limits.

Public Hearing Date

The resolutions set Monday, October 9, 2017 for the public hearings.
