**Explanation**

- On February 1, 2024, the Mayor referred the review of the Community Safety Framework related to juvenile crime, to identify what strategies and/or policies need to be enhanced or implemented to fully leverage the community’s data, stakeholders, and service providers to promote collaboration towards a unified approach to reducing juvenile crime with a focus on both prevention measures as well as targeted strategies focused on repeat offenders, to the Housing, Safety and Community Committee. This topic will be introduced to the Committee with potential next steps.
